PART 1: OPERATION OF THE AGREEMENT

Section A – Technical Matters

1. TITLE

- 1.1 This Agreement, made under Section 172 of the *Fair Work Act 2009*, will be known as the ACT Public Sector Medical Practitioners Enterprise Agreement 2013-2017.

2. MAIN PURPOSE

- 2.1 The main purpose of this Agreement is to provide for common terms and conditions that apply across the ACT Public Service (ACTPS) and terms and conditions that reflect the operational and business requirements of particular business units and of medical practitioners.

Retaining our people

- 2.2 In order to promote permanent employment and job security for employees in the ACTPS, the ACTPS will endeavour to minimise the use of temporary and casual employment. The ACTPS agrees to the use of temporary employees only where there is no officer available with the expertise, skills or qualifications required for the duties to be performed or the assistance of a temporary nature is required for the performance of urgent or specialised work within a particular business unit of the ACTPS and it is not practical in the circumstances to use the services of an existing officer.
- 2.3 In respect of casual employment, where regular and systematic patterns of work exist and where persons have a reasonable expectation that such arrangements will continue, consideration should be given to engaging the person on a different basis, including on a permanent or temporary basis.
- 2.4 The ACTPS will continue to consult with unions and employees on the development of strategies and initiatives that may assist in the successful recruitment and retention of mature age employees. Such strategies and initiatives will be the subject of discussion and agreement between the employee and the relevant manager/supervisor.
- 2.5 These strategies and initiatives may include:
- (a) developing flexible working arrangements, such as variable employment, part-year employment, job sharing and purchased leave;
 - (b) planning phased retirement arrangements for individual mature age employees who are considering retirement within four to five years, including through reducing the employee's management or higher level responsibilities during a phased retirement period;
 - (c) examining the implications of current superannuation legislation for using such flexible employment and working arrangements and informing affected employees how such implications may be addressed;
 - (d) arranging training to assist the employee in any changing roles the employee may have as part of the employee's phased retirement;

- (e) developing arrangements to facilitate the return of former mature age employees, including by engaging such persons for a short period in a mentoring capacity;
- (f) at the discretion of the head of service, contributing to the cost to an employee of financial advice received as part of planning for a phased retirement period.

Attracting future employees

- 2.6 The ACTPS will consult with union(s) through the Directorate Consultative Committee (DCC) to develop strategies to assist in attracting and retaining suitable employees. This will involve development of appropriate strategies and processes, including the conduct of surveys of staff, to assist this objective.
- 2.7 The ACTPS may run various entry programs in the light of operational needs and available resources. Entry to these programs will be by merit selection. All employment arrangements should be fair and attractive.

Developing our people

- 2.8 The ACTPS will consult and agree with union(s) on the development and finalisation of Learning and Development Plans and on the annual key learning and development priorities. The ACTPS and the union(s) will also agree on the equitable use of resources to address these priorities and strategies appropriate for the different categories of employees. For the purposes of this clause, "resources" includes but is not limited to employees, time, funding (where required) and equipment.
- 2.9 This Agreement supports a performance culture within the ACTPS that promotes ethical workplace conduct and rewards employees for their contribution towards the achievement of ACTPS's objectives.
- 2.10 It is acknowledged that performance management is important to employee development and to ensuring the relationship between corporate, team and individual responsibilities are aligned to individual, team and organisational objectives.
- 2.11 Any performance management schemes in the ACTPS will not include performance pay and will not be used for disciplinary purposes.

Recognising our people

- 2.12 The ACTPS is committed to achieving an environment where employees feel valued for the contribution they make to achieving organisational goals. The most effective form of recognition is timely and appropriate feedback. The ACTPS will consult with the union(s) on other effective ways of recognising and rewarding the achievement of individuals and work groups.
- 2.13 Any outcomes of this consultation will only be implemented by agreement of the ACTPS and the union(s).

Ensuring fairness

- 2.14 The ACTPS recognises and encourages the contribution that people with diverse backgrounds, experiences and skills can make to the workplace. The ACTPS aims to ensure

that this diversity is able to contribute to effective decision making and delivery of client service.

- 2.15 The ACTPS will work with employees to prevent and eliminate discrimination on the basis of sex, sexuality, gender identity, relationship status, status as a parent or carer, pregnancy, breastfeeding, race, religious or political conviction, disability, industrial activity, age, profession, trade, occupation or calling, association, or a spent conviction, in accordance with the *Discrimination Act 1991*.

Achieving a better work and life balance

- 2.16 The ACTPS is committed to providing employees with a work/life balance that recognises the family and other personal commitments of employees.

Promoting a healthy and safe working environment

- 2.17 The ACTPS is committed to promoting, achieving and maintaining the highest levels of health and safety for all employees.
- 2.18 The ACTPS will take all reasonable steps and precautions to provide a healthy, safe and secure workplace for the employee. The ACTPS and all employees will act in a manner that is consistent with the *Work Health and Safety Act (WHS Act)*.
- 2.19 Bullying and harassment and discrimination of any kind will not be tolerated in ACTPS workplaces. It is recognised that bullying and harassment in the workplace has both emotional and financial costs and that both systemic and individual instances of bullying and harassment are not acceptable. Accordingly:
- (a) if the head of service is made aware of instances, or reported instances, of bullying and harassment or discrimination, the head of service will investigate the concerns as soon as possible in accordance with the Workplace Values and Behaviours provisions in Section N of this Agreement; or
 - (b) if the head of service independently considers that inappropriate behaviour may be occurring, then the head of service will respond, as soon as possible, in a manner commensurate with the seriousness of this issue.
- 2.20 Further, given the clear evidence of the benefits and cost effectiveness of workplace health initiatives for both employers and employees, the ACTPS will develop health and wellbeing policies and programs that promote healthy lifestyles and help maintain a high standard of physical and mental health, along with supporting individual workplace safety and general wellbeing. Such policies and programs may include:
- (a) organisational/environmental policies and programs;
 - (b) awareness and education programs that promote healthy lifestyles and reduce risk factors; and
 - (c) traditional and non-traditional physical activity programs.

- 11.2 Having considered the request the manager/supervisor will respond in writing, giving reasons, within a six week timeframe.
- 11.3 To avoid doubt, decisions stemming from such reviews will be subject to the application of selection and appointment processes applying in the ACTPS. - 19.3 The term 'meal break' does not require the employee to partake of a meal during the break period.
- 19.4 Notwithstanding subclause 19.1 it is recognised that there may be occasions when a meal break cannot be taken within five hours of commencing work, and that the meal break should be taken at some other time during the shift or the employee may be permitted to finish early on that shift.
- 19.5 Where a Medical Officer is required to continue working through the employee's meal break, and an alternative is unable to be programmed under subclause 19.3, the Medical Officer will be paid for the time worked at a single rate of pay.
- 19.6 Managers, unit heads and supervisors are to establish simple and effective procedures in consultation with Medical Officers to record when staff are required to work through their meal breaks to ensure that a pattern of not being able to take a break does not develop and to ensure that payment is made.
- 19.7 An employee who works up to six hours in a day may, with the agreement of the supervisor/manager, work up to six hours without a meal break to accommodate the employee's personal circumstances and work/life balance.

20. ROSTERING PRACTICE FOR MEDICAL OFFICERS

Notice of Rosters

- 20.1 A Medical Officer will be given at least 14 days notice of rosters to be worked in relation to ordinary hours of work and also where practicable, in relation to additional (overtime) rostered hours of work.
- 20.2 Notwithstanding subclause 20.1 amendments to rosters may be required without notice to meet emergent situations (where unpredictable change in service demands make meeting the requirements of subclause 20.1 impracticable).

Breaks between shifts

- 20.3 A minimum 9 hour break between shifts including travel time (fatigue leave) or 10 hours where practicable shall be rostered.
- 20.4 If the minimum break between shifts, outlined in subclause 20.3, overlaps ordinary hours, there shall be no loss of pay for ordinary hours for taking this break.
- 20.5 If recalled to duty with less than an 9 hour break between shifts, including travel time, overtime rates shall be paid at the commencement of recall until a nine hour break can be taken.
- 20.6 The parties agree to undertake further investigation (with a view to creation of additional positions) if Medical Officers are regularly expected to work without a break.

Maximum Shift Length

- 20.7 The maximum shift length is 14 hours.

Pattern of Work Hours

- 20.8 At the initiation of the employee or the Directorate, the work patterns of an employee may be varied from time to time to provide for shifts of no less than 8 hours in length on a week day, or no less than 4 hours in length on a Saturday, Sunday or a Public Holiday.
- 20.9 All time worked in excess of 10 hours in any one shift will be paid at overtime rates.
- 20.10 No broken or split shifts will be worked.

Maximum Rostered Hours of Work

- 20.11 The maximum number of rostered hours per fortnight (excluding oncall) is 112 hours.

Rostering of days free from duty

- 20.12 Where practicable, days free from duty shall be consecutive and where possible additional accrued days off in accordance with Clause 21 shall be combined with days free from duty.
- 20.13 Employees will be given the opportunity to indicate preferences for the rostering of ADOs, and these will be met unless there are operational reasons for not doing so.
- 20.14 A Medical Officer may not be rostered on for more than seven consecutive days on ordinary duty without a minimum 1 day duty-free break.
- 20.15 A Medical Officer shall be free from ordinary hours of duty for not less than 2 days in each week or where this is not practicable 4 days in each fortnight.
- 20.16 A Medical Officer will have at least two consecutive days free from any duty in each 28 day cycle.
- 20.17 Where practicable, a Medical Officer will have every second weekend free from all duty.
- 20.18 A Medical Officer will have 2 days free from any duty following the end of night shift duties to ensure adequate rest time and to minimise sleep deprivation which occurs on night shift. Where operationally possible the number of days free from ordinary duty should equal the number of consecutive night shifts worked.
- 20.19 For the purposes of this clause a day is defined as each of the periods, reckoned from one midnight to the next, into which a week, month or year is divided, and corresponding to a rotation of the earth on its axis.

21. ACCRUED DAY OFF (ADO) FOR MEDICAL OFFICERS

- 21.1 A full-time Medical Officer who works a 40 hour week, accrues 2 hours every week to go towards an ADO. That is for every 8 hour shift 0.4 hours will accumulate towards an ADO.
- 21.2 ADOs shall be granted in multiples of one day for periods ranging from one day up to 2 weeks subject to agreement between the employee and the supervisor/manager. Where an employee cannot agree with the Directorate for the taking of an ADO the employee may be directed to take an ADO provided at least 2 weeks' notice is given by the Directorate.

- 21.3 For each day or shift a Medical Officer is absent on annual leave, paid personal leave or compassionate leave, those leave credits will be reduced by the number of ordinary hours that the Medical Officer would have worked on that day or shift (including time accrued for the ADO). Each day or shift of paid leave taken during the cycle of shifts will therefore be regarded as a day worked for accrual purposes.
- 21.4 Accrual toward an ADO does not occur when an employee is on any other form of leave. ADOs will only be taken once the equivalent time has been accrued. ADOs will not be taken in advance.
- 21.5 An employee may bank a maximum of 13 ADOs.
- 21.6 An employee who is required to work on the employee's scheduled ADO will be given another day off instead at a time agreed between the employee and the employee's supervisor/manager.
- 21.7 Upon termination of employment, on promotion or appointment to a higher classification, or on changing from full-time to part-time hours, a Medical Officer shall be paid the monetary value of any untaken accrued days off, calculated at the person's ordinary time rate of pay as prescribed in Annex A – Classifications and Rates of Pay.
- 21.8 Refer to Clause 34 for provisions for employees to exchanging shifts.

22. MAKE-UP TIME – MEDICAL OFFICERS

- 22.1 The employer may authorise an employee to be absent from duty for a part of a rostered shift, and allow the time not worked on that occasion to be worked at a later time agreed between the employee and the employer. The employee will be required to work this make-up time as soon as practicable after the approved absence from duty.
- 22.2 A Medical Officer on shift work may perform the make-up time on any shift. Make-up time will not be counted as overtime. The penalty rate applicable to make-up time will be the penalty that would have been paid to the employee if the employee had worked his or her rostered shift as posted.
- 22.3 A Medical Officer not participating in shift work may perform the make-up time between 8.00am and 6.00pm, Monday to Friday. Make-up time will not be counted as over-time.
- 22.4 A make-up time arrangement should not be authorised if it would result in a reduction in services.
- 22.5 Each approved absence from duty under this clause will be recorded in the employee's attendance record, and will not count as time worked. Each related instance of make-up time will similarly be recorded in the employee's attendance record, and will be counted as ordinary time worked.
- 22.6 Make-up time arrangements may be withdrawn if the head of service forms the view that the arrangements have been used inappropriately.

23. CASUAL EMPLOYMENT ARRANGEMENTS

Minimum attendance

- 23.1 The minimum payment on each occasion when a casual employee is called for and attends for duty will be three hours, whether or not the casual employee is required to work for those three hours.
- 23.2 Notwithstanding subclause 22.1, where it is initiated by the casual Medical Officer and it is mutually agreed between a casual Medical Officer and the officer's supervisor to cease duty prior to the scheduled completion of a rostered shift, the casual Medical Officer shall not be entitled to payment for that portion of the shift not worked.

Rate of Pay

- 23.3 A person engaged as a casual employee will be paid at the same hourly rate of remuneration as would be applicable to an employee performing the duties and hours of that role. In addition the casual employee will receive a loading instead of paid leave entitlements, other than long service leave, and instead of payment for public holidays on which the employee did not work.
- 23.4 The loading provided by subclause 23.3 will be calculated as percentage of the ordinary hourly rate of pay set out in Annex A to this Agreement for the employee's classification as follows:
- (a) 22.5% from the commencement of this agreement until 30 June 2015; and then
 - (b) 25% from 1 July 2015.

Payment for Shift Work

- 23.5 A casual employee is eligible to receive payment of shift penalties in accordance with Clause 33 or Clause 35, as applicable.
- 23.6 The loading paid under subclause 23.4 is not taken into account in the calculation of shift work penalty payments.

Overtime

- 23.7 An eligible casual employee may receive payment for overtime in accordance with Clause 36: Overtime for Medical Officers.
- 23.8 A casual employee is eligible for payment of overtime in respect of all hours worked in excess of eight hours, on any day or shift, except where the employee has been notified that he or she will be working on a longer shift, in which case hours in excess of the actual shift length will be paid for at overtime rates.
- 23.9 The loading paid under subclause 23.4 is not taken into account in the calculation of overtime payments.

Overtime Meal Allowance

- 23.10 A casual employee is eligible to receive payment of overtime meal allowances in accordance with Clause 39: Overtime Meal Allowance.
- 23.11 The term 'meal break' does not require the employee to partake of a meal during the break period.

Payment for Public holidays

- 23.12 A casual employee is not eligible for payment in respect of public holidays, unless the employee works on a public holiday.
- 23.13 Where an eligible casual employee does work on a public holiday, the casual employee is entitled to the appropriate shift penalties or overtime payments described in Clauses 33, 35 and 36.

Leave

- 23.14 A casual employee is not eligible for paid leave other than long service leave.

It is acknowledged that in emergency and unforeseen circumstances Senior Medical Practitioners may be required to work extended hours.

Unless otherwise agreed in writing, 80% of a specialist or senior specialist's time will be spent on clinical work, and 20% on non-clinical work. In determining the specific percentage to apply to an individual or work area, consideration will be given to operational requirements, workload, teaching requirements and other relevant factors.
- 24.4 Percentages should be agreed on a local level.
- 24.5 Before it can be applied, any percentage must be agreed by all relevant parties (i.e. managers, affected Senior Medical Practitioners), and must recognise the need for flexibility to accommodate operational requirements.
- 24.6 Unless otherwise agreed, all work shall be undertaken at the employee's normal place of duty.

Part-time Hours of Work

- 24.7 A part-time employee will work less than the ordinary weekly hours of work for a full-time employee.
- 24.8 Senior Medical Practitioners covered by this Agreement may with the approval of the head of service, in portions of 10% (or other percentage as agreed), engage in part-time employment by entering into a written part-time agreement. A 10% portion of a part-time agreement, for the purpose of this clause, will be one session per week. The part-time agreement must be agreed in writing between the Senior Medical Practitioner and the head of service.
- 24.9 Senior Medical Practitioners employed pursuant to a part-time agreement must be available to participate on the On-call roster to a reasonable degree.

- 24.11 If not otherwise agreed in writing, the default arrangement will be 2 sessions per day, 10 sessions per week, Monday to Friday.

Flexible Working Arrangements

- 24.12 In order to provide more flexible working arrangements for Specialists and Senior Specialists, permission may be granted by the head of service for the Specialist or Senior Specialist to complete their normal duties over a period of no less than 4 days a week.
- 24.13 This permission will be subject to the operational requirements of the Directorate, at such times as are agreeable to the employer in accordance with agreed work ratios as agreed under subclause 24.3 of this Agreement. In accordance with Clause 12, permission must be obtained in advance for any form of outside employment undertaken as a result of such a reorganisation of work, including offsite private practice.
- 24.14 There will be no reduction in the normal duties of an employee whose working arrangements are amended under this provision. Absences during normal working hours will be made up by the employee at such times as are agreeable to the employer.
- 24.15 Any adjustments to the standard span of hours arrangements outlined at subclause 24.10 above will be agreed at the beginning of each year. Adjustments may be made to these arrangements with the agreement of the Directorate and the Specialist or Senior Specialist.

- 24.16 The Specialist or Senior Specialist will be required to record and account for his/her whereabouts for the periods identified as being present at work. To monitor this, the Directorate may utilise random diary checks and/or physical presence checks. Patient confidentiality of diary information will be taken into account in the use of diary checks.
- 24.17 Where a suspected breach of the agreement is identified, the head of service shall consult with the employee representative in the investigation of the suspected breach. Where a breach is confirmed, the head of service may cancel the arrangement and initiate disciplinary action against the employee concerned.

- 25.2 Every Medical Officer will maintain an appropriate record (as specified by the employer) of duty performed including recording the time of commencing and ceasing duty for each day and the reason for any absence from duty. These records will be provided to the supervisor/manager where the supervisor/manager so requests.
- 25.3 Every Senior Medical Practitioner shall record the times of their attendance at work (whether ordinary duty or extra duty), and reasons for absence from duty during normal working times, in a form acceptable to the head of service. These records will be provided to the supervisor/manager where the supervisor/manager so requests.

- 26.2 The period of notice in subclause 26.1 may be reduced by agreement in writing between the employee and the head of service.

PART 3: PAY AND CLASSIFICATIONS

Section F – Rates of Pay and Allowances

27. PART-TIME EMPLOYMENT

- 27.1 Persons engaged on a part-time basis will receive, on a proportionate basis, equivalent pay and conditions to those of full time employees.

28. PAY INCREASES

- 28.1 Employees will be paid in accordance with the employee's classification and rates of pay set out in Annex A to this Agreement.

- 28.2 Pay increases for all classifications set out in Annex A of this Agreement will apply as follows:

- (a) An increase in base pay of \$2090 or 2%, whichever is the greater, with effect from the first pay period on or after 1 July 2013. This increase will be paid no later than the second pay day following the commencement of this agreement, and any back pay will be paid as soon as reasonably possible; and

- 28.3 A person who was an employee of the Directorate on 1 July 2013 and who separated from the ACTPS before the commencement of this Agreement, will be paid any difference between the relevant rate of pay under Annex A of this Agreement and the rate which the former employee was paid in the same classification on separation. Any monies paid to the employee by the Directorate on separation will be adjusted in the same manner as the rate of pay

- 28.4 A person who was an employee of the Directorate on 9 December 2014 and who separated from the ACTPS before the commencement of this Agreement and who was not otherwise eligible for backpay under subclause 28.3 will be eligible for payment consistent with the provisions of subclause 28.3.

29. METHOD OF PAYMENT

- 29.1 Employees will be paid fortnightly in arrears and by electronic funds transfer into a financial institution of their choice.

- 29.2 The ACTPS commits to paying employees their ordinary fortnightly pay on the appropriate pay day. The ACTPS also commits to paying any shift penalties, overtime payments and higher duties allowance as soon as reasonably possible but not later than within two pay periods of the appropriate authorisation having been received by the relevant corporate area.
- 29.3 Claims for payment under the provisions of this agreement, including penalty, on-call and overtime payments will be submitted for approval within 3 weeks. Priority in processing claims will be given to those lodged in a timely fashion.
- 29.4 The ordinary fortnightly pay will be based on the following formula:
- $$\text{Fortnightly pay} = \text{annual rate of pay} \times \frac{12}{313}$$
- 29.5 A part-time employee will be paid pro-rata based on the employee's agreed ordinary hours.
- 29.6 An employee will, with the approval of the head of service, be advanced the pay due for any period of approved paid annual or long service leave. Advancement of pay will be subject to payroll processing timeframes. The approval of the head of service will not be unreasonably withheld.

30. PAYROLL DEDUCTIONS FOR UNION FEES

- 30.1 Upon request by the union, the ACTPS will facilitate arrangements for payroll deductions for union fees. The ACTPS agrees that it will not impose any limitations or impediments to an employee utilising payroll deductions for union fees that do not apply to other regular payroll deductions, such as health insurance.

31. PAY POINTS AND INCREMENTS

- 31.1 A person who is engaged by the ACTPS, or an employee who is promoted or is approved to perform the duties of a higher office, is entitled to be paid at the first pay point for the classification level.
- 31.2 Despite subclause 31.1, the head of the service may approve a person who is engaged by the ACTPS, or an employee who is promoted or approved to receive higher duties allowance, to be paid at a higher pay point within that classification level.
- 31.3 Increments apply to both an employee's permanent and higher duties classification. When an employee has completed twelve months higher duties within a 24-month period an increment will be paid and all further instances of higher duties will be paid at this level.
- 31.4 Previous service at a higher duties pay must be considered when determining a pay point should the employee be promoted to that classification, and will be used to determine the date at which increments fall due.
- 31.5 An employee is entitled, subject to there being no underperformance or discipline action undertaken in accordance with Section N: Workplace Values and Behaviours, to be paid an annual increment on and from the relevant anniversary of the date of commencement in the position for the employee concerned

31.6 Accelerated incremental advancement may occur as follows:

- (a) A person who is engaged by the ACTPS, or an employee who is promoted or approved to perform higher duties, may be paid at a higher pay point within that classification level.
- (b) The head of service may approve the payment of additional accelerated increments to the employee:
 - (i) At the time annual incremental advancement is due i.e., at the time an employee is eligible for annual incremental advancement (either in the substantive or higher duties position),

or

- (ii) At any other time between periods of annual incremental advancement;

subject to a maximum of two additional increments within the classification range being awarded to the employee in a 12-month period (excluding any additional increments awarded to the employee on commencement in the position in accordance with subclause 31.2).

- (c) Where an employee is awarded additional accelerated increments over the 12-month period between the payments of annual increments in accordance with paragraph 31.6(b), the employee is still eligible for the payment of an annual increment, and the date of effect of the annual increment will remain unchanged.

31.7 In considering whether to approve payment at a higher pay point (as per subclause 31.1), or accelerated advancement (as per subclause 31.6), the head of service will take into account such factors as:

- (a) The employee's:
 - (i) Qualifications; and
 - (ii) Relevant work and personal experience; and
 - (iii) Current pay; and
 - (iv) Ability to make an immediate contribution; and
- (b) Difficulties in attracting and retaining suitable employees.

31.8 JMOs are not eligible for incremental advancement as described in sub clauses 31.6 and 31.7.

Increments for Part-time Employees

31.9 Subject to a satisfactory performance assessment, a part-time employee will be granted incremental advancement as follows:

- (a) Where the average hours of employment of the part-time employee are equivalent to 20 hours or more per week, incremental advancement shall occur on the same annual basis as for a full-time employee.
- (b) Where the average hours of employment of the part-time employee are less than 20 hours per week, incremental advancement shall not occur on an annual basis but on the basis of each 24 months of service.

Increments for Part-time Senior Medical Practitioners

- 31.10 Notwithstanding subclause 31.9, a Senior Medical Practitioner who works pursuant to a part-time agreement will progress to the next incremental step every 12 months from the date of the Senior Medical Practitioner's commencement of employment, provided the work performed by the Senior Medical Practitioner extraneous to the part-time agreement is commensurate with the experience of a full-time Senior Medical Practitioner and is acceptable to the head of service. This clause does not preclude accelerated progression.

32. HIGHER DUTIES ALLOWANCE

- 32.1 Higher Duties Allowance (HDA) is payable to an officer who is directed to temporarily perform the duties of a position with a higher classification.
- 32.2 An officer acting in a position with a maximum pay of an SRMO 1, for a period of one day or more, will be paid HDA for that period.
- 32.3 An officer acting in a position with a pay or maximum pay greater than the maximum pay of an SRMO 1 will be paid HDA for a period of five consecutive days or more. This payment will occur from day one, provided the total period of higher duties is five days or more.
- 32.4 Where the officer on temporary transfer is to perform the full duties of the higher position, HDA is calculated as the difference between the staff member's current pay and a point in the pay range of the higher position determined by the head of service in accordance with Clause 31.
- 32.5 Where the officer is performing only part of the duties of the higher position and the higher position is at least two levels above the officer's current substantive level, payment of partial HDA may be agreed between the supervisor/manager and the officer, prior to the commencement of the temporary transfer.
- 32.6 The rate of payment for partial HDA will be a point in the pay range(s) of the intervening level(s). The head of service's decision on the rate of payment of partial HDA will take into account the specified part of the duties of the higher position that the officer is to perform.
- 32.7 An officer receiving HDA is entitled to normal incremental progression for the officer's substantive position and any increment gained while performing HDA is maintained upon the officer ceasing the higher duties.
- 32.8 Previous higher duties service will be considered in determining the appropriate pay point for future periods of higher duties.

- 32.9 If a position is expected to be available for a period of six months or longer the position must be advertised in the Gazette.
- 32.10 If a position is expected to be available for a period of less than six months advertisement in the gazette is not required.
- 32.11 Periods of higher duties should not normally extend beyond twelve months. If after twelve months the position is nominally vacant it will be advertised unless there are exceptional circumstances.
- 32.12 Nothing in this clause will restrict casual or temporary employees performing duties of a higher office in accordance with the PSM Act and the PSM Standards.

33. PAYMENT FOR SHIFT WORKERS – MEDICAL OFFICERS

Payment of Shift Penalties

- 33.1 Any ordinary hours worked by a Medical Officer, as defined, between the following hours shall be paid at an ordinary time plus the appropriate penalty rate:

 - (c) Midnight Friday and midnight Saturday; 50%.
 - (d) Midnight Saturday and midnight Sunday; 75%.

The additional payment will not be paid for any shift for which any other form of penalty payment is made under this Agreement, or under the provisions of the PSM Act or the PSM Standards under which the employee is employed.

Payment Whilst on Annual Leave

- 33.3 Additional payment for shift duty, as provided by this clause, is to be made in respect of any such duty that an employee would have performed had the employee not been on approved annual leave.

34. SHIFT EXCHANGE PROTOCOL – MEDICAL OFFICERS

- 34.1 The employer may authorise two employees to exchange shifts.
- 34.2 An exchange of shifts will not be authorised if it would result in the ACTPS incurring additional labour costs, or a reduction in services.
- 34.3 An exchange of shifts will be recorded in both employee's attendance records.

- 34.4 An employee will be paid the penalty rates applicable to the work he or she actually performs.
- 34.5 So far as practicable (and notwithstanding the voluntary nature of these arrangements), an exchange of shift should not result in an employee working an unreasonable pattern of working hours.
- 34.6 The foregoing arrangements will apply similarly in respect of an employee's participation in an on-call roster.
- 34.7 The shift exchange protocol may be withdrawn if the head of service forms the view that the arrangements have been used inappropriately.

35. PAYMENT FOR SHIFT WORKERS – SENIOR MEDICAL PRACTITIONERS

- 35.1 Shift penalty payments will apply to Specialists and Senior Specialists directed to work rosters.
- 35.2 Where practicable, the maximum shift length shall be 16 hours.
- 35.3 Shift penalties will be calculated using the appropriate base pay as per Annex A, including, for eligible employees, the 17.4% special allowance paid under subclause 43.3.
- 35.4 Penalty rates for Specialists and Senior Specialists are as follows:
- (a) 20% penalty will be paid for hours worked Monday to Friday 6pm to midnight;
 - (b) 50% penalty will be paid for hours worked on Saturdays;
 - (c) 100% penalty will be paid for hours worked on Sundays;
 - (d) 150% penalty will be paid for hours worked on public holidays.
- 35.5 Penalty payments will only be made upon submission to Payroll Services of completed timesheets signed and authorised by a manager nominated by the employer.
- 35.6 Rostering of shift work and the payment of penalties will only be approved when the shift work:
- (a) Is required by the Directorate; and
 - (b) relates to direct patient care.

36. OVERTIME FOR MEDICAL OFFICERS

- 36.1 An employee may be required or requested to work reasonable additional hours for duty at any time that the employee is required, subject to the payment for overtime in accordance with the conditions set out in this Clause, and the reasonable additional hours provisions of Section 62 of the FW Act.
- 36.2 All time worked by a Medical Officer, as defined, in excess of their ordinary hours specified in or agreed in accordance with Clause 18, and which does not accrue towards an ADO in accordance with Clause 21, will be paid as overtime.

- 36.3 Where a Medical Officer has been required to work during their meal break and they are not able to finish duty early on the same shift then they will be entitled to receive payment for overtime once the total ordinary work time for that shift has elapsed.
- 36.4 Overtime will be paid at the rate of time and one half for the first 2 hours, and double time for the remaining hours worked, provided that all overtime performed on a Sunday shall be at double time, unless time off in lieu is agreed in accordance with Clause 37.

37. TIME OFF IN LIEU OF PAYMENT FOR OVERTIME – MEDICAL OFFICERS

- 37.1 Where agreed between the manager/supervisor and the employee, the employee will be granted time off instead of overtime.
- 37.2 TOIL is to be taken at a time agreed between the manager/supervisor and the employee.
- 37.3 In order to prevent the accumulation of excessive time and to facilitate the effective delivery of services, TOIL should be granted as soon as practicable after the overtime has been worked.
- 37.4 TOIL may be accrued to allow an employee to be absent for a whole day or shift. TOIL may be taken in association with other rostered days off.
- 37.5 Each instance of TOIL will be recorded in the employee's attendance records. A claim for overtime will not be submitted in any case where TOIL is authorised.
- 37.6 TOIL is granted on an hour-for-hour basis.

38. PAYMENT FOR AN EMPLOYEE ROSTERED OFF ON A PUBLIC HOLIDAY – MEDICAL OFFICERS

- 38.1 Where an employee is:
- (a) Normally to perform regular rostered work on a particular day of the week; and
 - (b) Is scheduled to be on a rostered day off on this particular day; and
 - (c) The particular day is a public holiday,
- the employee will be granted a day's leave in lieu of a public holiday which occurs on a day on which that employee is rostered off duty.
- 38.2 The day in lieu provided for in subclause 38.1 must be granted within one month after the holiday, if practicable.
- 38.3 Where it is not practicable to grant a day's leave in lieu in accordance with subclause 38.1, the employee will be paid one day's pay at the ordinary hourly rate.

39. OVERTIME MEAL ALLOWANCE

- (a) The rate specified for breakfast when commencing such overtime work at or before 6.00am;
- (b) The rate for an evening meal when such overtime is worked for at least one hour immediately following the employee's normal ceasing time, exclusive of any meal break and extends beyond or is worked wholly after 7.00pm;
- (c) The rate for luncheon when such overtime extends beyond 2.00pm on Saturdays, Sundays or holidays.

- 39.2 In lieu of the allowances paid under subclause 39.1, meal tickets, redeemable at the Staff Cafeteria against any purchase to the value of the meal tickets, are available for Medical Officers undertaking work in accordance with subclause 39.1.

40. REST RELIEF AFTER OVERTIME

- 40.1 In this Clause employee refers to employees other than casual employees.
- 40.2 Unless the head of service directs an employee to report for duty earlier, the employee must have a continuous period of nine hours off duty between ceasing overtime duty following normal duty one day, and commencing normal daily hours of work the following day.
- 40.3 An employee is entitled to be absent from duty, without loss of pay, until the employee has been off duty for a continuous period of nine hours, including travel time.
- 40.4 If an employee is required by the head of service to return to duty without having had nine consecutive hours off duty, including travelling time, the employee must:
- (a) Be paid at double the ordinary hourly rate of pay rate until the employee is released from duty for that period; and
 - (b) The employee will then be entitled to be absent until the employee has had nine consecutive hours off duty including travelling time, without loss of pay for any ordinary working time occurring during that absence.

- will be entitled to an additional payment of 150% of the employee's ordinary hourly rate of pay.

42. ON-CALL AND RECALL ARRANGEMENTS – MEDICAL OFFICERS

- 42.1 An on-call period is a period during which a Medical Officer is required by the Directorate to be on-call.
- 42.2 No Medical Officer will be required to remain on-call while on leave.
- 42.3 For the purposes of calculation of payment of on-call allowances and for recall, an on-call period shall not exceed 24 hours.
- 42.4 A Medical Officer shall be paid for each on-call period which coincides with a day rostered on duty an allowance equal to the rate of the first hour of overtime. The on-call rate shall, upon recall, be subsumed into the payment made for the initial recall period. The on-call allowance will only be paid once during a 24 hour period.
- 42.5 A Medical Officer who is recalled for duty shall be paid for all time worked at the appropriate overtime rate, with a minimum of four hours pay at such rates. If a Medical Officer is recalled on more than one occasion during the recall period for which he or she is paid, the Medical Officer will not be entitled to further payment until the expiration of the four hour payment period.
- 42.6 The amounts specified in subclause 42.4 will be taken to include expenses incurred in being available for on-call and recall duty including taking telephone calls. The total recall overtime claim cannot total more than the on-call period.

43. ON-CALL AND RECALL ARRANGEMENTS – SENIOR MEDICAL PRACTITIONERS

- 43.1 It is acknowledged and recognised that Senior Medical Practitioners are required to be available for reasonable on-call and recall outside of their normal duties.
- 43.2 Subject to operational requirements or agreement between the parties, a part-time employee will only be required to participate in an on-call roster on a pro-rata basis. An employee working part-time following a period of leave in accordance with clause 70 will only be required to work on-call in the same ratio as their part-time hours.
- 43.3 A Senior Medical Practitioner who is regularly required by the employer to be on-call and/or available for recall outside his or her ordinary hours of duty will be entitled to be paid an annual allowance at the rate of 17.4% of their annual pay specified at Annex A of this Agreement.
- 43.4 Where an employee does not contribute to the on-call roster on a full-time basis (regardless of whether they are a full-time or part-time employee), the allowance paid under subclause 43.3 will be calculated on a pro-rata basis, reflecting the extent of their contribution to the roster in their work area. The maximum pro-rata for this purpose is 100% of a full-time commitment.
- 43.5 Where there is a dispute between the employer and a Senior Medical Practitioner over the incidence of the requirement to be on-call and/or available for recall outside the normal hours of work and whether that requirement is deemed by subclauses 43.3 and 43.4 of this Agreement to be regular, the matter will be referred to the parties for discussion. If no agreement is then reached between the parties, the matter may be referred in accordance with the disputes avoidance/settlement procedure set out in Clause 125 of this Agreement.

Review of Provisions

- 43.6 The structure of this allowance, and the associated provisions in Clause 44, will be reviewed during the life of the agreement to consider options to more directly link the level of obligation with the level of allowance.

44. ONEROUS HOURS AND RECALL ARRANGEMENTS – SENIOR MEDICAL PRACTITIONERS

- 44.1 The parties agree that some Senior Medical Practitioners may be required to work in excess of normal duties, and reasonable on-call and/or recall.
- 44.2 Where a Senior Medical Practitioner is required to work in excess of normal duties and reasonable on-call and/or recall to provide patient care, the relevant head of service, in conjunction with the affected Senior Medical Practitioner, will review the work pattern of the Senior Medical Practitioner to reduce the number of hours.
- 44.3 The review will attempt to reduce the number of hours worked by the Senior Medical Practitioner to conform with subclause 24 and the reduction may be achieved by means of time in lieu consistent with the provisions of clause 45, or other variations in normal duties as agreed between the Senior Medical Practitioner and the head of service.
- 44.4 In the first instance every effort should be made to reduce the number of hours. However, in those exceptional circumstances where the hours worked by the Senior Medical Practitioner cannot be reduced in accordance with subclause 44.2 and this work:
- (a) Is required by the Directorate, and
 - (b) Relates to patient care, and
 - (c) Occurs in accordance with subclause 44.5,
- the hours may be determined to be onerous and an additional payment may be authorised by the head of service.
- 44.5 Subclause 44.4 above only applies when a Senior Medical Practitioner is regularly required by the head of service to work onerous hours over a six month period. In these circumstances, an allowance of up to 5% of the Senior Medical Practitioner's annual pay specified at Annex A of this Agreement may be authorised. Any such payment will be subject to review every six months. The review should again attempt to reduce the number of hours worked by the Senior Medical Practitioner to conform with subclause 44.1.

Provided that, it will not be necessary for six months to pass before payment of this allowance commences, where the employee's supervisor certifies that:

- (a) Onerous hours are being worked;
- (b) Efforts to reduce the employee's hours are not currently practicable; and
- (c) It may be reasonably foreseen that onerous hours will continue to be worked for a period of no less than six months.

- 44.6 Where the six monthly review identifies an exceptionally high level of onerous hours that cannot be reduced, the head of service may approve payment of an allowance of up to 10% of the Senior Medical Practitioner's annual pay specified at Annex A of this Agreement.
- 44.7 Payment of an allowance greater than 5% will require a detailed examination and report on all relevant matters, in accordance with Annex B to this Agreement.
- 44.8 Payments under subclauses 44.5 and 44.6 will be limited to six months from the date of first authorisation. Where a review demonstrates that the conditions for the original authorisation of the allowance persist, the allowance may be authorised for a further six months.
- 44.9 The payments provided under subclauses 44.5 and 44.6 shall not be paid to more than 10% of the Senior Medical Practitioners employed by the Directorate. It is understood that the 10% figure may be inappropriate for a work unit where a work unit employs only a small number of Senior Medical Practitioners.
- 44.10 The payments provided under subclauses 44.5 and 44.6 above shall not count as pay for the purposes of calculating any employee entitlement, including superannuation.

45. TIME OFF IN LIEU – SENIOR MEDICAL PRACTITIONERS

- 45.1 Time off in lieu (TOIL) provided for under subclause 44.3 is to be taken at a time agreed between the Clinical Unit Head and the affected Senior Medical Practitioner.
- 45.2 In order to prevent the accumulation of excessive time in lieu and to facilitate the effective delivery of services, TOIL should be taken as soon as practicable after it is accrued.
- 45.3 TOIL may be accrued to allow an employee to be absent for a whole day or shift. TOIL may be taken in association with other rostered days off.
- 45.4 Each instance of TOIL will be recorded in the employee's attendance records.

46. MATURE AGE PAYMENT

- 46.1 Where the head of service considers that an employee has the knowledge, skills and experience that are essential for the ACTPS to retain, the head of service may approve additional remuneration benefits instead of employer superannuation contributions being made for any of the following:
- (a) an employee who is seventy years or older and Commonwealth legislation precludes the payment of employer superannuation contributions for that employee; or
 - (b) an employee who is seventy years or older and whose preferred choice of fund rules precludes the payment of employer superannuation contributions; or
 - (c) an employee is aged between sixty five and seventy years and the employee does not meet the work test (as defined by relevant superannuation legislation and rules).
- 46.2 Where Commonwealth legislation or choice of fund rules change to allow employer superannuation contributions to be made, the mature age payment will cease and

superannuation contributions will re-commence. It is the responsibility of the employee to promptly request their manager/supervisor to seek to cease the mature age payment and to arrange to resume employer superannuation contributions for funds of choice.

- 46.3 The date of effect for resumption of employer superannuation contributions under subclause 46.2 will be from the next available pay day after the mature age payment ceases.

47. RIGHTS OF PRIVATE PRACTICE ARRANGEMENTS FOR SPECIALIST AND SENIOR SPECIALISTS

- 47.1 The Directorate, all Specialists and Senior Specialists will ensure that every effort is made to bill private patients. The employer will provide appropriate support to maximise billing.
- 47.2 New Specialists and Senior Specialists must elect to commence on one of either Scheme A, B or C as outlined at subclause 47.4 below. Specialists and Senior Specialists should only remain on Scheme A where the nature of their discipline or agreed work arrangements make it difficult to bill private patients.
- 47.3 Specialists and Senior Specialists may move between schemes only with the agreement of the head of service, and subject to an assessment of the billing undertaken by the employee. Where this decision comes into dispute, an independent committee comprising one union nominee, one management nominee and an agreed third person, will be established to review the decision. This will be the only avenue of dispute resolution in these circumstances.
- 47.4 The available schemes are:
- (a) Scheme A – staff specialist receives 100% of base pay (prorated for part-time) plus 20% allowance in lieu calculated on base pay plus applicable allowances. Earnings up to equivalent of 10% of pay incur 100% facility fee. Earnings greater than 10% and up to 30% of pay to be split into 50% facility fee and 50% bonus. Earnings greater than 30% incur 100% facility fee;
 - (b) Scheme B – staff specialist receives 100% of base pay (prorated for part-time) plus up to 50% of pay as a bonus on earnings from private practice billings. A facility fee calculated in accordance with Annex F is deducted before bonus payments are made to the staff specialist;
 - (c) Scheme C – staff specialist receives 75% of base pay (prorated for part-time), plus up to 133.33% of pay as a bonus on earnings from private practice billings. A facility fee calculated in accordance with Annex F is deducted before bonus payments are made to the staff specialist.
 - (d) Retention of Pathology Scheme;
 - (e) Retention of Radiology Scheme.

Review of Facility Fees

- 47.5 A review of facility fees currently charged in relation to rights of private practice will be undertaken during the life of the agreement, in accordance with Terms of Reference to be agreed.

- 47.6 The facility fees set down in Schedule F may be amended during the life of the agreement to reflect the agreed findings of that review.
- 47.7 All interested parties will be invited to participate in the review, and the agreement of the unions under subclause 47.6 will be required for the review's findings to be implemented.

48. DAYLIGHT SAVINGS ARRANGEMENTS

- 48.1 During the changes from Australian Eastern Standard Time to Australian Eastern Daylight Time, employees will be paid according to the clock, with the exception of casual employment arrangements under Clause 23 and overtime arrangements under Section 36 which will be paid according to the hours actually worked. This means that at the beginning of daylight saving employees working an overnight shift will work one hour less but will be paid for the full shift, and when daylight saving ends employees will work for an extra hour but will be paid according to the clock.

- 49.5 The head of service will continue to provide appropriate information to employees concerning salary sacrifice arrangements.

50. ATTRACTION AND RETENTION INCENTIVES

- 50.1 In some special circumstances it may be necessary for the head of service to determine that an employee or group of employees who are covered by this Agreement and who occupy certain positions should be provided with attraction and retention incentives that may differ from some of the terms and conditions under this Agreement.

 - (b) Determines that an overpayment is not recoverable.
- 53.12 Where the head of service determines that an overpayment is not recoverable, the provisions of the relevant Directorate's Financial Instructions, relating to the waiver and write off of monies, will apply.

- 63.3 The Directorate will only allow secondments to occur where these provisions are provided.
- 63.4 For the purposes of this Clause the Directorate includes Calvary Health Care ACT Ltd.

PART 4: WORK AND LIFE BALANCE

Section J – Flexible Working Arrangements and Employee Support

64. WORK-LIFE BALANCE

- 64.1 The ACTPS is committed to the concept of work and life balance and recognises the importance of employees balancing work and personal life.
- 64.2 All employees have commitments outside the workplace. These commitments may relate to family, to the community and to general health and wellbeing. Given the diverse nature of the workforce in the ACT Public Service, it is recognised that employees have different needs at different times.
- 64.3 The ACTPS recognises the need to provide sufficient support and flexibility at the workplace to assist employees in achieving work and life balance. While family friendly initiatives are important aspects of work and life balance, it is also important that all employees, at all stages in the employees' working lives, are supported through this Agreement.

65. REQUEST FOR FLEXIBLE WORKING ARRANGEMENTS

- 65.1 In addition to the circumstances provided at clauses 65.2 and 66, an employee may apply as per subclause 65.3 to their manager/supervisor for flexible working arrangements to support their work and life balance. The manager/supervisor will respond to the employee's request as per subclauses 65.4 – 65.6.
- 65.2 Notwithstanding the entitlement under 65.1, an employee may request flexible working arrangements, in accordance with the FW Act, in the following circumstances. The employee:
- (a) has a parental or other caring responsibility for a child of school age or younger; or
 - (b) has a caring responsibility for an individual with a disability, a terminal or chronic medical condition, mental illness or is frail and aged; or
 - (c) has a disability; or
 - (d) is over the age of 55; or
 - (e) is experiencing domestic violence; or
 - (f) is providing personal care, support and assistance to a member of their immediate family or household because they are experiencing domestic violence.
- 65.3 The request by the employee must set out, in writing, the details of the change sought and the reasons for that change.
- 65.4 The manager/supervisor must respond to the request in writing within twenty-one days, providing the reasons for their decision.

- 65.5 The manager/supervisor will only deny an employee's request for variation to workplace arrangements provided under this Agreement where there are operational reasons for doing so.
- 65.6 Where a request is not approved the manger/supervisor will consult with the employee to determine mutually convenient alternative arrangements.

66. EMPLOYEES WITH CARING RESPONSIBILITIES

- 66.1 Carers are employees who provide, in addition to the employees' normal family responsibilities, care and support on a regular basis to other family members or other persons who are sick or ageing, have an injury, have a physical or mental illness, or a disability.
- 66.2 Family members may include children, brothers or sisters, domestic partner, parents, grandparents and close relatives. In some cases, employees may be responsible for providing care to a neighbour or a friend who has no-one to assist with day-to-day care.
- 66.3 The ACTPS recognises that carer responsibilities vary considerably, depending on the level of care and assistance required and may be suddenly imposed, or may increase gradually. The ACTPS also recognises that, generally, employees are able to provide care and assistance outside normal working hours. However, there are times that employees are required to provide more support or assistance because of illness, injury or disability.
- 66.4 To assist employees in balancing work and carer responsibilities, and to clarify the entitlement at subclause 65.2(b), flexible working and leave arrangements are provided in this Agreement. Examples of these flexible working and leave arrangements include, but are not limited to:
- (a) Flexible starting and finishing times;
 - (b) Ability to take a few hours off work, and make it up later;
 - (c) Access to breast feeding facilities;
 - (d) Access to personal leave for caring purposes for members of immediate family or household;
 - (e) Home based work on a short or long term basis;
 - (f) Part-time work;
 - (g) Job sharing;
 - (h) Purchased leave;
 - (i) Annual leave;
 - (j) Long service leave;
 - (k) Leave without pay; and
 - (l) Leave not provided for elsewhere.

- 66.5 Access to the leave entitlements listed in subclause 66.4 are as provided for in this Agreement.

67. MANAGEMENT OF EXCESSIVE HOURS

- 67.1 The ACTPS recognises the importance of employees balancing work and personal life. The appropriate balance is a critical element in developing and maintaining healthy and productive workplaces. While it is acknowledged that peak workload periods may necessitate some extra hours being worked by some employees, this should be regarded as the exception rather than the rule.
- 67.2 Managers, supervisors and employees have a responsibility to minimise the extent to which excessive hours are worked. In the circumstances where work pressures result in the employee being required to work, or is likely to work, excessive hours over a significant period, the manager, supervisor and employee together must review workloads and priorities and determine appropriate strategies to address the situation. In doing so, the manager or supervisor will consider and implement one or more of the following strategies to reduce the amount of excessive hours being accumulated:
- (a) Review of workloads and priorities;
 - (b) Re-allocation of resources;
 - (c) Consideration of appropriate arrangements for time off in lieu or other recompense;
 - (d) Review staffing levels and/or classifications within the work group.
- 67.3 The head of service will consult with the Directorate Consultative Committee about the development and implementation of appropriate strategies to deal with issues associated with both paid and unpaid overtime.

68. REGULAR PART-TIME EMPLOYMENT

- 68.1 A person may be employed in any classification as a part-time officer for an agreed number of regular hours that is less than the ordinary weekly hours specified in this Agreement for that relevant classification over a four-week period.
- 68.2 Proposals to reduce hours below full-time employment may be initiated by the head of service for operational reasons or by an officer for personal reasons.
- 68.3 Where an officer initiates a proposal the head of service will have regard to the personal reasons put by the officer in support of the proposal and to their business unit's operational requirements.
- 68.4 The head of service will obtain the written agreement of a full-time officer before the officer converts to part-time.
- 68.5 No pressure will be exerted on full-time officers to convert to part-time employment or to transfer to another position to make way for part-time employment.

- 68.6 The agreed period, pattern of hours and days and commencement and cessation times for part-time work will be agreed between the officer and the officer's manager/supervisor and recorded in writing.

Variation to Part-time Hours

- 68.7 Proposals to vary a part-time employment arrangement may be initiated by the head of service for operational reasons or by an officer for personal reasons.
- 68.8 Where an officer initiates a proposal the head of service will, have regard to the personal reasons put by the officer in support of the proposal and to the Directorate's operational requirements.
- 68.9 The head of service will obtain the written agreement to the officer before the officer's hours are varied.
- 68.10 No pressure will be exerted on a full-time officer to vary the officer's part-time employment or to transfer to another position to make way for part-time employment.
- 68.11 The agreed period, pattern of hours and days and commencement and cessation times for part-time work will be agreed between the officer and the officer's manager/supervisor and recorded in writing.

69. JOB SHARING

- 69.1 In this clause employee refers to employees other than casual employees.
- 69.2 Job sharing arrangements may be introduced by agreement between the head of service and the employee involved, subject to operational requirements. Employees working under job sharing arrangements share one full-time job and will be considered to be part-time with each working part-time on a regular, continuing basis.
- 69.3 A full-time employee must request in writing permission to work in a job sharing arrangement. The head of service will agree to reasonable requests for regular job sharing arrangements, subject to operational requirements.
- 69.4 The pattern of hours for the job sharing arrangement will be agreed between the employee and the head of service. However, any single attendance at the office-based worksite will be for not less than three consecutive hours.
- 69.5 The employee who is in a job sharing arrangement and who was previously working full-time may revert to full-time employment before the expiry of the agreed period of job sharing if all parties to the arrangement agree.
- 69.6 In the event that either employee ceases to participate in the job sharing arrangement, the arrangement will terminate.

70. PART-TIME EMPLOYMENT FOLLOWING MATERNITY LEAVE, PRIMARY CAREGIVER LEAVE, ADOPTION OR PERMANENT CARE LEAVE OR PARENTAL LEAVE

- 70.1 Subject to this Clause, the head of service will approve an application by an officer employed on a full-time basis who returns to work after accessing maternity leave, primary caregiver leave, adoption or permanent care leave or parental leave, to work on a part-time basis for a period of up to three years from the birth, adoption of the child, or granting of parental responsibility for a foster child.
- 70.2 An application by an officer to access part-time work under this clause will only be approved where the officer agrees, where necessary, to become unattached.
- 70.3 The maximum aggregate period of part-time employment that may be approved for an officer under subclause 70.1 is seven years.
- 70.4 Either the officer who accesses Primary Care Giver Leave under Clause 91, or adoption and permanent care leave under clause 95, or the mother who is entitled to and accesses maternity leave under Clause 89 will be entitled to access part-time employment as provided in subclause 70.1.
- 70.5 The agreed period, pattern of hours and days and commencement and cessation times for part-time work will be agreed between the officer and the officer's manager/supervisor and recorded in writing.

71. HOME BASED WORK

- 71.1 The diverse nature of work conducted in the ACTPS lends itself to a range of working environments. From time to time workplaces will include work undertaken in the field and in the home.
- 71.2 Home-based work, on a regular basis, is a voluntary arrangement that requires the agreement of both the head of service and the employee. The head of service will consider requests by employees for home-based work, having regard to operational requirements and the suitability of the work.
- 71.3 In determining appropriate home-based work arrangements, the head of service and employees will consider a range of matters, including:
- (a) Appropriate and effective communication with office based employees;
 - (b) The need to ensure adequate interaction with colleagues;
 - (c) The nature of the job and operational requirements;
 - (d) Privacy and security considerations;
 - (e) Health and safety considerations;
 - (f) The effect on clients; and
 - (g) Adequate performance monitoring and arrangements.

- 71.4 Home-based work arrangements may be terminated by the head of service on the basis of operational requirements, inefficiency of the arrangements, or failure of the employee to comply with the arrangements.
- 71.5 An employee may terminate home-based work arrangements at any time by giving reasonable notice to the head of service.
- 71.6 There may also be occasions where it is appropriate for an employee to work from home on an ad hoc basis. In these circumstances, arrangements to work from home are to be negotiated on a case-by-case basis between the employee and the supervisor/manager.
- 71.7 The ACTPS will provide home computing facilities where an employee and the employee's supervisor/manager agree there is a need for such facilities. Provision of equipment by the ACTPS will be subject to workplace health and safety requirements and to an assessment of technical needs by the supervisor/manager.

Section K – Employee Support

72. EMPLOYEE ASSISTANCE PROGRAM

- 72.1 As a benefit to employees, the ACTPS will provide employees and employees' immediate families with access to an independent, confidential and professional counselling service at no cost to the employee.

73. SCHEDULING OF MEETINGS

- 73.1 To assist employees to meet the employees' personal responsibilities, where possible, all meetings in the Directorate are to be scheduled at times that take into account those responsibilities.

74. VACATION CHILDCARE PROGRAM

- 74.1 This Clause applies to an employee (other than a casual employee or a temporary employee who has been engaged by the ACTPS for a period of less than twelve months) with school aged children who makes a timely application, with regard to work and/or rostering arrangements applying in their particular business unit, based on their accrued annual leave, purchased leave or long service leave during school holidays that is rejected. In these circumstances the head of service will make payment to the employee for each calendar year based on:
- (a) Fifty-two dollars per day towards the cost of each school child enrolled in an accredited school holiday program;
 - (b) Up to a maximum of \$260 per child per five days;
 - (c) Up to a maximum of ten days per child per year;
 - (d) Up to a maximum of three children;
 - (e) Reimbursement on production of a receipt.
- 74.2 An accredited school holiday program is a program approved and/or subsidised by a State, Territory, or Local Government.
- 74.3 The payment will apply only on the days when the employee is at work.
- 74.4 The payment will be made regardless of the length of time the child is in the program each day, but it cannot exceed the actual cost incurred.
- 74.5 An employee whose domestic partner receives a similar benefit from the partner's employer is not eligible for the payment.

75. FAMILY CARE COSTS

- 75.1 Where an employee is directed to work outside the employee's regular pattern of work, the head of service will authorise reimbursement to the employee by receipt for some or all of the costs of additional family care arrangements.

76. NURSING MOTHERS

- 76.1 Employees who are breastfeeding will be provided with the facilities and support necessary to enable such employees to combine a continuation of such breastfeeding with the employee's employment.
- 76.2 Where practicable the Directorate will establish and maintain a room for nursing mothers. Where there is no room available another appropriate space may be used.
- 76.3 Up to one hour, per day/shift, paid lactation breaks that are non-cumulative will be available for nursing mothers.

77. TRANSFER OF MEDICALLY UNFIT STAFF

- 77.1 This clause does not apply to casual employees.
- 77.2 A medically unfit employee is an employee who is considered by the head of service, in accordance with paragraph (a), sub-Section 143(1) of the PSM Act, to be an employee who is unable to perform duties appropriate to the employee's classification because of physical or mental incapacity.
- 77.3 Despite the provisions of sub-Section 56(3) and 65(1) of the PSM Act, a medically unfit employee may, by agreement with the employee, be transferred to any position within the employee's current skill level and experience, the classification of which has a maximum pay which does not vary from the top increment of the employee's classification by more or less than 10%.
- 77.4 An employee will not be redeployed in accordance with subclause 77.3 unless there is no suitable vacant position at the employee's substantive classification within the Directorate.
- 77.5 In considering any proposed transfer under this clause, the employee may be represented by the union or other employee representative.

78. TRANSFER TO A SAFE JOB DURING PREGNANCY

Purpose

- 78.1 This clause provides arrangements to enable a pregnant employee to be transferred to an appropriate safe job during their pregnancy or enable them to be absent from their workplace if an appropriate safe job is not available.

Eligibility

- 78.2 In accordance with the National Employment Standards of the FW Act (NES), this clause applies to pregnant employees when they:
- (a) have given at least ten weeks notice, or where that is not practical have as soon as practical given notice, that they will be applying for maternity leave; and
 - (b) provide evidence from a registered health professional or registered medical professional to the head of service that they are fit for work but that it is inadvisable for

her to continue in her present position during a stated period because of illness or risks arising out of her pregnancy or hazards connected with that position.

- 78.3 In these circumstances, the employee is entitled to be transferred to an appropriate safe job for the stated period with no detriment to her current terms and conditions of employment.

Paid Absence for 'No Safe Job' Purposes

- 78.4 If an appropriate safe job is not available, and when the employee has completed twelve months of continuous service, the employee is entitled to take paid absence for 'no safe job' purposes for the stated period at a rate of payment that is the same rate as would be paid if the employee was granted personal leave. This period of paid absence will count as service for all purposes.
- 78.5 If an appropriate safe job is not available, and the employee has not completed twelve months of continuous service, the employee is entitled to take unpaid absence for 'no safe job' purposes. This period of absence will not count as service for any purposes but will not break continuity of service.
- 78.6 The employee's entitlements under this clause cease when the employee's pregnancy ends before the end of the stated period.

Section L – Leave

79. PART TIME EMPLOYEES

79.1 Part time employees are credited and debited leave on a pro-rata basis.

80. NON-APPROVAL OF LEAVE

80.1 Where a request is not approved the head of service will, if so requested in writing by the employee, provide the reasons for that decision to the employee in writing. Where a request is not approved the head of service will consult with the employee to determine mutually convenient alternative arrangements.

81. UNATTACHMENT OF MEDICAL STAFF ON LEAVE WITHOUT PAY FOR OVER TWELVE MONTHS

81.1 Permanent medical staff who are granted leave without pay for longer than 12 calendar months for any purpose, (excepting maternity leave under subclause 102.14), shall become unattached officers.

82. PERSONAL LEAVE

Purpose

- 82.1 Personal leave is available to employees to enable them to be absent from duty:
- (a) because the employee is unfit for work because of a personal illness, or personal injury;
 - (b) to provide care or support to a member of the employee's immediate family, or a member of the employee's household, who is ill or injured;
 - (c) in extraordinary and unforeseen circumstances.
- 82.2 Personal leave supports the Territory's commitment to a healthy workplace and workforce.

Eligibility

82.3 Personal leave is available to employees other than casual employees.

Entitlement

- 82.4 An employee may be granted personal leave up to their available credit from the first day of service.
- 82.5 Personal leave is cumulative and there is no cap on the personal leave balance an employee may accrue.
- 82.6 On engagement under the PSM Act, employees who have prior service recognised for personal leave purposes will be credited any personal leave balance accrued with the previous employer. On the employee's normal accrual date, the employee will then receive personal leave in accordance with subclause 82.14 or, following the implementation of daily accrual, the employee will receive personal leave in accordance with subclause 82.11.

- 82.7 If a person is retired from the Service on grounds of invalidity, and is re-appointed as a result of action taken under the *Superannuation Act 1976* or the *Superannuation Act 1990*, they are entitled to be re-credited with unused personal leave credit held prior to the invalidity retirement.
- 82.8 Except for a short term temporary employee and an employee to whom subclause 82.6 applies, an employee's personal leave balance will be credited with an equivalent of 3.6 weeks of personal leave on the day they commence with the Territory.

Daily Accrual implementation

- 82.9 The ACTPS will move to daily accrual of personal leave as soon as the HR system can be reconfigured. The head of service will consult with ACTPS staff, unions and other employee representatives to facilitate the transition to daily accrual. This consultation will occur prior to the reconfiguration of the new HR system.
- 82.10 To avoid doubt, following the implementation of daily accrual of personal leave in accordance with subclause 82.9, subclauses 82.14, 82.15, 82.28 and 82.37 will cease to operate and subclause 82.6 will operate only as it relates to the daily accrual of personal leave and the recognition of prior service.
- 82.11 Despite subclause 82.8, from the day of commencement, an employee's personal leave accrues on a daily basis according to the formula set out below:
- $(A \times B \times D) / C = \text{total hours of leave accrued per day where:}$
- A = number of ordinary hours per week worked; and
B = one where the day counts as service or zero where the day does not count as service;
C = number of calendar days in the year; and
D = number of weeks of personal leave an employee is entitled to a year (i.e. 3.6 weeks).
- 82.12 The accrual calculated in subclause 82.11 will be credited to the employee progressively on a fortnightly basis.

Until Daily Accrual is Implemented

- 82.13 Until daily accrual is implemented the provisions contained in subclauses 82.14, 82.15, 82.28 and 82.37 will apply.
- 82.14 An additional credit of 3.6 weeks personal leave will be made on the anniversary of the employee's commencement during each year of service.
- 82.15 The accrual date for personal leave will be deferred by one day for every calendar day of unauthorised absence or leave without pay that does not count for service.
- 82.16 A part-time officer or part-time temporary employee will accrue personal leave calculated on a pro-rata basis.

Short-term Temporary Employees

- 82.17 Until daily accrual of personal leave is implemented, the provision contained in subclauses 82.18 to 82.20 will apply to short term temporary employees. To avoid doubt, subclauses 82.18 to 82.20 will cease to operate from the date of implementation of daily accrual of personal leave in accordance with subclause 82.9.
- 82.18 A short term temporary employee will be credited with one week of personal leave after four weeks continuous service and 0.2 weeks of personal leave for each subsequent four weeks of continuous service up to a maximum of two weeks in the employee's first twelve months of service.
- 82.19 After twelve months continuous service short-term temporary employees will receive 5.2 weeks of personal leave with pay. For every subsequent twelve months of service, short-term temporary employees will receive personal leave in accordance with subclause 82.14.
- 82.20 A short-term temporary employee subsequently appointed under the PSM Act prior to completing twelve months service will have their personal leave balance brought up to the equivalent of 3.6 weeks, less any personal leave with pay granted under subclause 82.4. For subsequent accruals that short-term temporary employee will receive personal leave on the same basis as an officer on the anniversary of the commencement of their employment.
- 82.21 The provisions contained in subclauses 82.22 to 82.26 will apply to the accrual of personal leave by short term temporary employees from the date of implementation of daily accrual.
- 82.22 All short-term temporary employees will accrue personal leave in accordance with the formula set out in subclause 82.11 from the date of implementation of daily accrual.
- 82.23 All short-term temporary employees who commence employment with the Territory on or after the date of implementation of daily accrual of personal leave will be credited with the equivalent of one week of personal leave on their date of commencement.
- 82.24 All short-term temporary employees who have been employed by the Territory for a period of less than four weeks continuous service as at the date of implementation of daily accrual of personal leave will be credited with the equivalent of one week of personal leave on the date of implementation of daily accrual.
- 82.25 Upon completion of twelve months continuous employment with the Territory short term temporary employees will have their personal leave balance brought up to the equivalent of 3.6 weeks, less any personal leave with pay granted under subclause 82.4 during the twelve months. The 3.6 weeks is in addition to any personal leave accrued under subclause 82.22.
- 82.26 A short term temporary employee who is appointed under the PSM Act prior to completing twelve months continuous employment with the Territory will have their personal leave balance brought up to the equivalent of 3.6 weeks, less any personal leave with pay granted under subclause 82.4. The 3.6 weeks is in addition to any personal leave accrued under subclause 82.22.

When Personal Leave Credits Have Been Exhausted

- 82.27 Where personal leave credits have been exhausted, the head of service may grant an employee a period of unpaid personal leave for personal illness or injury or for the care of a member of the employee's immediate family or household who is sick.

NOTE: In such circumstances, alternative arrangements are provided for at subclause 82.57.

- 82.28 Despite subclause 82.27, the head of service may allow an officer, in the first ten years of service, when the officer provides documentary evidence that the officer has a personal illness or injury, to anticipate up to a maximum of 3.6 weeks paid personal leave accrual where all full pay personal leave credits are exhausted.
- 82.29 Temporary employees may be granted up to an aggregate of twenty days without pay in the first twelve months.
- 82.30 The head of service may, when a personal illness or injury poses a serious threat to the employee's life, grant an officer an additional period of paid personal leave for personal illness or injury. This leave may be at either full or half pay. Such leave will not be granted if the absence is due to a condition for which the officer is receiving compensation under the *Safety, Rehabilitation and Compensation Act 1988*.

Other Provisions

- 82.31 An employee in receipt of workers compensation for more than forty five weeks will accrue personal leave on the basis of hours actually worked.
- 82.32 Unused personal leave credit will not be paid out on cessation of employment.

Evidence and Conditions

- 82.33 An employee must give notice of the intention to take personal leave. This notice must be provided to their manager/supervisor, as soon as practicable, (which in the case of personal illness or injury may be a time immediately after the leave has commenced) and must advised the duration, or expected duration, of the leave.
- 82.34 The head of service may grant personal leave if they are satisfied there is sufficient cause, having considered any requested or required documentary evidence.
- 82.35 An employee must provide requested or required documentary evidence in a timely manner. To unduly withhold the provision of documentary evidence may result in the personal leave application not being approved for payment.
- 82.36 The head of service will accept the following documentary evidence as proof of personal illness or injury or the need to care for a member of the employee's immediate family or household who is sick:
- (a) a certificate from a registered medical practitioner or registered health professional who is operating within their scope of practice; or

- (b) a statutory declaration made by the employee if it is not reasonably practicable for the employee to give the head of service a certificate.

- 82.37 Applications for personal leave requiring an employee to care for a member of the employee's immediate family or household who is sick will need any required documentary evidence to clearly state the caring requirement.
- 82.38 If documentary evidence is not produced when an employee applies for leave, the head of service may grant personal leave up to three consecutive working days with pay, to a maximum of seven working days in any accrual year. Absences for personal leave without documentary evidence in excess of three consecutive days, or seven days in any accrual year will be without pay.
- 82.39 Following the implementation of daily accrual of personal leave, the head of service may grant up to three consecutive working days personal leave with pay without documentary evidence, to a maximum of seven working days in a calendar year. Absences for personal leave without documentary evidence in excess of three consecutive days, or seven days in a calendar year will be without pay.
- 82.40 The head of service may, with reasonable cause, request the employee to provide a medical certificate from a registered medical practitioner or a statutory declaration for any absence from duty on personal leave at the time of notification of the absence.
- 82.41 Paid personal leave may be granted up to an employee's available personal leave credit.
- 82.42 Subject to the production of documentary evidence, the head of service may grant an employee further absence for personal illness or injury provided the additional period of personal leave is granted without pay. However, any such leave without pay that goes beyond a maximum continuous period of combined paid and unpaid personal leave of 78 weeks will not count as service for any purpose.
- 82.43 The head of service must not grant personal leave for an absence caused by the misconduct of the employee. The head of service may determine that an absence caused by the misconduct does not count as service for any purpose.
- 82.44 The head of service must approve an application for up to five days of personal leave applied for in conjunction with a period of bonding leave.
- 82.45 The head of service may refer an employee for a medical examination by a nominated registered medical practitioner or registered health professional, or nominated panel of registered medical practitioners or registered health professionals at any time for reasons including where:
 - (a) the head of service is concerned about the wellbeing of an employee and considers that the health of the employee is affecting, or has a reasonable expectation that it may affect, the employee's ability to adequately perform their duties;
 - (b) the head of service considers that documentary evidence supplied in support of an absence due to personal illness or injury is inadequate; or

- (c) the employee has been absent on account of illness for a total of thirteen weeks in any twenty six week period.

82.46 The head of service may require the employee to take personal leave after considering the results of a medical examination requested by the head of service.

Rate of Payment

82.47 Personal leave will be granted with pay except where it is granted without pay under subclauses:

- (a) 82.27; or
- (b) 82.29; or
- (c) 82.42

82.48 Subject to the approval of the head of service, an employee may request to use personal leave at half pay for absences of at least one week. Such absences will be deducted from the employee's accrued credits at a rate of 50% of the period of absence.

82.49 Any personal leave taken must be deducted from the employee's credit.

Effect on Other Entitlements

82.50 Personal leave with pay will count as service for all purposes.

82.51 Personal leave without pay, other than provided for at subclause 82.42 will count as service for all purposes.

82.52 Where an employee is absent on paid personal leave and a public holiday for which the employee is entitled to be paid falls within that period of absence:

- (a) the employee will be paid as a normal public holiday for that day; and
- (b) the public holiday will not be deducted from the employee's personal leave credits.

82.53 While personal leave will not be deducted over the Christmas shutdown period, the Christmas shutdown does not break continuity of the period of absence in relation to the maximum period/s of leave under subclause 82.42.

Access to Other Leave Entitlements

82.54 An employee who suffers personal illness or injury, or cares for a member of the employee's immediate family or household who is sick, for one day or longer while on:

- (a) annual leave; or
- (b) purchased leave; or
- (c) long service leave; or
- (d) unpaid maternity leave; or

- (e) unpaid parental leave; or
- (f) grandparental leave; or
- (g) accrued day off; and

82.55 Where an employee is on a form of leave specified in subclauses 82.54 and:

- (a) the employee is subsequently granted personal leave in accordance with subclause 82.54; and
- (b) the personal leave falls within a part or all of the period of the other form of leave;

then that other leave will be re-credited for that period of the personal leave that falls within the period of the other leave.

82.56 An employee cannot access paid personal leave while on paid maternity leave, or primary care giver's leave, or adoption or permanent care leave.

82.57 If the employee has exhausted all paid personal leave, personal leave without pay cannot be substituted for unpaid maternity leave.

82.58 If an ill or injured employee exhausts the employee's paid personal leave entitlement and produces documentary evidence, as per subclause 82.36, as evidence of continuing personal illness or injury, the employee may apply to the head of service for approval to take annual leave or long service leave. If approved, this leave will not break the continuity of the 78 weeks under subclause 82.42.

83. PERSONAL LEAVE IN EXTRAORDINARY AND UNFORESEEN CIRCUMSTANCES

83.1 Employees, other than casual employees, are eligible to personal leave in extraordinary and unforeseen circumstances.

83.2 Personal leave in extraordinary and unforeseen circumstances, is non-cumulative and if granted is deducted from the employees personal leave balance.

83.3 The head of service may grant a maximum of four days of personal leave, other than for personal illness or the care of the employee's immediate household who is sick, in an accrual year, in extraordinary, unforeseen or unexpected circumstances and where it is essential that the employee have leave from the workplace. These four days are in addition to the seven days personal leave without documentary evidence.

83.4 While personal leave in extraordinary and unforeseen circumstances does not normally require documentary evidence, the head of service may request reasonable evidence before granting the leave.

83.5 Personal leave in extraordinary and unforeseen circumstances will be granted with pay.

84. INFECTIOUS DISEASE CIRCUMSTANCES

- 84.1 Where an employee is prevented from attending for duty under the *Public Health Act 1997*, the head of service may grant that employee personal leave during that period.
- 84.2 The employee may also apply for the absence or a part of it to be deducted from their annual leave credit.

85. ANNUAL LEAVE

Purpose

- 85.1 Annual leave is available to employees to enable them to be absent from duty for the purposes of rest and recreation.

Eligibility

- 85.2 Annual leave is available to employees other than casual employees.

Entitlement

- 85.3 An employee may be granted annual leave up to their available credit from the first day of service.
- 85.4 Annual leave is cumulative.
- 85.5 An employee's annual leave credit accrues on a daily basis according to the formula set out below:
- $(A \times B \times D) / C$ = total hours of leave accrued per day where:
A = number of ordinary hours per week worked; and
B = one where the day counts as service or zero where the day does not count as service or is an unauthorised absence;
C = number of calendar days in the year; and
D = number of weeks of annual leave an employee is entitled to a year.
- 85.6 For the purpose of subclause 85.5 the basic leave entitlement is:
- (a) in the case of 38 hour workers, 152 hours annual leave for each full year worked; or
- (b) in the case of 40 hour workers, 160 hours annual leave for each full year worked.
- 85.7 A Medical Officer who is regularly rostered to work on Sunday and work at least ten Sundays in a year will be entitled to an additional five days of paid annual leave per year.
- 85.8 A Medical Officer rostered to work on less than ten Sundays during which annual leave will accrue will be entitled to additional annual leave at the rate of one tenth of a working week for each Sunday so rostered, up to a maximum of 5 days per calendar year.
- 85.9 A Senior Medical Practitioner shall be granted an additional week of paid annual leave in respect of each 12 months completed service in a hospital.

- 85.10 If an employee moves from one ACTPS Directorate to another, annual leave accrued with the first Directorate will transfer to the second Directorate.
- 85.11 An annual leave credit does not accrue to an employee if the employee is absent from duty on leave for specified defence service, or full-time defence service. If the employee resumes duty after a period of specified defence service, annual leave will accrue from the date the employee resumes duty.
- 85.12 Employees will receive payment on separation from the ACTPS of any unused annual leave entitlement.

Evidence and Conditions

- 85.13 Employees are encouraged to use their annual leave in the year that it accrues, and to this end should discuss their leave intentions with their manager/supervisor as soon as practicable.
- 85.14 An employee must make an application to the head of service to access their annual leave entitlement.
- 85.15 Having considered the requirements of this clause the head of service may approve an employee's application to access annual leave.
- 85.16 The head of service should approve an employee's application to take annual leave, subject to operational requirements.
- 85.17 If the head of service does not approve an employee's application for annual leave because of operational requirements, the head of service will consult with the employee to determine a mutually convenient alternative time (or times) for the employee to take the leave.
- 85.18 The head of service must, unless there are exceptional operational circumstances, approve an application for annual leave if it would enable an employee to reduce their annual leave credit below two and a half years worth of annual leave credit. However, in the case of exceptional operational circumstances, the head of service will consult with the employee to determine the time (or times) for the annual leave to be taken that is mutually convenient to both the administrative unit and the employee.
- 85.19 If an employee's annual leave is cancelled without reasonable notice, or an employee is recalled to duty from leave, the employee will be entitled to be reimbursed reasonable travel costs and incidental expenses not otherwise recoverable under any insurance or from any other source.
- 85.20 If the operations of the ACTPS, or part of the ACTPS, are suspended at Christmas or another holiday period, the head of service may direct an employee to take annual leave at a time that is convenient to the working of the ACTPS, whether or not an application for leave has been made. However, this does not affect any other entitlements to leave under this Agreement.
- 85.21 If an employee has the equivalent of two years' accrued annual leave credit and unless exceptional operational circumstances exist, the employee and relevant manager/supervisor must agree, and implement an annual leave usage plan to ensure the employee's accrued leave credit will not exceed two and a half years worth of annual leave credit.

- 85.22 If an employee does not agree to a reasonable annual leave usage plan the head of service may direct an employee who has accrued two and a half years worth of annual leave credit to take annual leave to the extent that the employee's annual leave credit exceeds two and a half years worth of credit, subject to giving the employee one calendar month notice. This clause does not apply to an employee who is on graduated return to work following compensation leave.
- 85.23 An employee who has an annual leave credit in excess of two and a half years' of entitlement:
- (a) at the commencement of the Agreement; or
 - (b) on joining, or returning to, the ACTPS; or
 - (c) on returning to duty from compensation leave;
- will have twelve months to reduce the employee's annual leave balance to two and a half years' accrued entitlement or below.
- 85.24 An employee may not be directed under subclause 85.22 to take annual leave where the employee has made an application for a period of annual leave equal to or greater than the period specified in subclause 85.22 in the past six months and the application was not approved. The manager/supervisor and the employee may agree to vary an annual leave usage plan.

Rate of Payment

- 85.25 Annual leave will be granted with pay.
- 85.26 Payment for the annual leave will be based on the employee's ordinary hourly rate of pay, including allowances that count for all purposes for the time the leave is taken. If an employee is being paid HDA before going on paid leave and would have continued to receive HDA had they not taken leave then the employee is entitled to payment of HDA during the leave.
- 85.27 Annual leave may be granted at half pay with credits to be deducted on the same basis.

Effect on Other Entitlements

- 85.28 Annual leave will count as service for all purposes.
- 85.29 Public holidays for which the employee is entitled to payment that fall during periods of absence on annual leave will be paid as a normal public holiday and will not be deducted from the employee's annual leave balance.

- 85.31 Subject to the approval of the head of service, an employee who is on unpaid leave may be granted annual leave during that period, unless otherwise stated in this Agreement.

- 85.32 If an employee is prevented from attending for duty under the *Public Health Act 1997*, the head of service may grant annual leave during that period.

Payment in Lieu of Annual Leave

- 85.33 An employee may request payment in lieu of their annual leave credit subject to the following:
- (a) the employee providing the head of service with a written election to do so; and
 - (b) the head of service authorising the election; and
 - (c) the employee taking at least one week of annual leave in conjunction with this entitlement or the employee has taken at least one week of annual leave in the past six months; and
 - (d) The payment in lieu will not result in a reduction in the balance of an employee's remaining annual leave credit below one year's accrued entitlement.
- 85.34 Payment in lieu of annual leave will be based on the employee's ordinary hourly rate of pay, including allowances that count for all purposes at the date of application. The payment in lieu will be based on the pay that the employee would have received for a notional period of leave equal to the credit being paid in lieu on the day the application is made.

86. ANNUAL LEAVE LOADING

Purpose

- 86.1 Annual leave loading is available to employees to provide monetary assistance while they are on annual leave.

Eligibility

- 86.2 Employees who accrue annual leave under Clause 85 are entitled to an annual leave loading. Part time employees will be paid the annual leave loading on a pro rata basis.

Entitlement

- 86.3 Where an employee's entitlement is based on paragraph 86.7(a), the leave loading payable is subject to a maximum payment. This maximum payment is the equivalent of the Australian Bureau of Statistics' male average weekly total earnings for the May quarter of the year before the year in which the date of accrual occurs. Where the leave accrual is less than for a full year, this maximum is applied on a pro rata basis.
- 86.4 An employee whose employment ceases and who is entitled to payment of accumulated annual leave or pro rata annual leave will be paid any accrued annual leave loading not yet paid and leave loading on pro rata annual leave entitlement due on separation.

Evidence and Conditions

- 86.5 Annual leave loading accrued will be paid at such a time as the employee nominates, by making a written request to the head of service.

- 86.6 Any unpaid annual leave loading accrued by employees will be paid on the first payday in December following its accrual.

Rate of Payment

- 86.7 The amount of an employee's entitlement under subclause 86.2 will be based on whichever is the greater of the following:
- (a) subject to subclause 86.3, 17.5 per cent of the employee's ordinary hourly rate of pay on 1 January multiplied by the number of hours of annual leave accrued during the preceding calendar year (excluding shift penalties); or

Entitlement

- 87.3 Employees may purchase leave in addition to the employee's usual annual leave entitlement, up to a maximum of twelve weeks in any twelve month period, subject to head of service approval.
- 87.4 An employee may apply, at any time, to the head of service for approval to participate in the purchased leave scheme.
- 87.5 The application must specify the amount of leave to be purchased in whole weeks up to a maximum of twelve weeks in any twelve month period, and the period over which the additional leave is to be acquitted.
- 87.6 Approval by the head of service for an employee to purchase and use purchased leave, is subject to both the operational requirements of the workplace and the personal responsibilities of the employee.
- 87.7 Approval to purchase additional leave will not be given where an employee has an annual leave balance of two and a half years worth of annual leave credit or more, except where the employee intends to use all excess annual leave credit before taking purchased leave.
- 87.8 Once an employee commences participation in the scheme, the employee may only opt out of the scheme before the expiration of the agreed acquittal period, where:
- (a) the employee can demonstrate, in writing, that exceptional circumstances exist, such as unforeseen financial hardship, and the head of service agrees; or

- (b) the employee's employment with the ACTPS ceases before the expiration of the agreed acquittal period; or
- (c) the employee proceeds on paid maternity or primary care giver leave.

87.9 If an employee transfers from one ACTPS Directorate to another ACTPS Directorate during the agreed acquittal period, the employee's continuation in the purchased leave scheme will be subject to the separate approval of the head of service of the gaining Directorate. Where such approval is not given, any money owing to the employee in respect of purchased leave not taken will be refunded to the employee as soon as practicable. Any shortfall in payments will be deducted from monies owing to the employee.

Evidence and Conditions

- 87.11 An employee must make an application to the head of service to access their purchased leave entitlement.
- 87.12 Having considered the requirements of this clause the head of service may approve an employee's application to access purchased leave. A decision not to approve the leave must be made in accordance with subclause 80.1.
- 87.13 Approval by the head of service to grant purchased leave will be subject to the operational requirements of the workplace, the personal responsibilities of the employee and appropriate periods of notice.
- 87.14 A minimum of one week of purchased leave must be taken at any one time unless the remaining balance is less than one week or the head of service is satisfied, on evidence presented, there are exceptional circumstances which warrant purchased leave being taken in shorter periods.
- 87.15 Purchased leave must be used within the agreed acquittal period, not exceeding twelve months from the date of commencement in the scheme. Purchased leave not taken within the agreed acquittal period will be forfeited and the value of the leave refunded to the employee at the end of the acquittal period.

- 87.16 While an employee is on a period of purchased leave the employee will be paid at the rate of pay used to calculate the employee's deduction.
- 87.17 Purchased leave will be paid for by a fortnightly deduction from the employee's pay over an agreed acquittal period not exceeding twelve months from the date the employee commences participation in the scheme.
- 87.18 Fortnightly deductions, from the employee's pay, will commence as soon as practicable following approval of the employee's application to participate in the purchased leave scheme. The deductions will be calculated on the employee's pay at the date of commencement of

participation in the scheme, the amount of leave to be purchased and the agreed acquittal period.

- 87.19 Despite 87.18, if the employee's pay changes during the acquittal period the employee may seek approval for the deduction to be recalculated.
- 87.20 Fortnightly tax deductions will be calculated on the employee's gross pay after the deduction has been made for purchased leave.
- 87.21 Subject to subclause 87.22, allowances in the nature of pay may be included in the calculation of purchased leave payments where:
- (a) the head of service and the employee agree any or all of these allowances are appropriate; and
 - (b) there is the likelihood the allowance will continue to be received over the duration of the acquittal period.
- 87.22 Disability allowances, which are paid according to the hours worked, cannot be included for the purposes of calculating purchased leave payments.

Effect on Other Entitlements

- 87.23 Leave taken as purchased leave will count as service for all purposes.
- 87.24 Public Holidays for which the employee is entitled to payment that fall during periods of absence on purchased leave will be paid as a normal public holiday and will not be deducted from the employee's purchased leave balance.
- 87.25 Purchased leave will not affect the payment and timing of pay increments or the accrual of other forms of leave.
- 87.26 The purchase of additional leave under this clause will not affect the superannuation obligations of the ACTPS and/or the employee involved.

- 86.30 An employee participating in the scheme who is in receipt of paid workers' compensation will have pay deductions for purchased leave continue. Normal conditions for purchased leave will apply for employees on graduated return to work programs; however entry into the scheme should be discussed with the rehabilitation case manager.

Entitlement

- 91.6 An eligible employee is entitled to eighteen weeks of paid leave in relation to each birth, and this entitlement is in addition to the Federal paid parental leave scheme. To avoid doubt, the entitlement under this clause does not increase in cases of multiple births, adoptions or care and protection orders that apply to more than one child.
- 91.7 Primary care giver leave is non-cumulative.
- 91.8 An employee is entitled to return to work in accordance with the provisions in the National Employment Standards.

Evidence and Conditions

- 91.9 An employee should discuss with their manager/supervisor, as soon practicable, their intention to be absent on primary care giver leave.
- 91.10 An employee must make an application to the head of service to access their primary care giver leave.

Example 2: The primary care giver may be the domestic partner of the newborn child's mother.

91.14 For the purposes of this clause a newborn is considered to be a baby of up to fourteen weeks old. In extenuating circumstances, the head of service may approve primary care giver leave when a newborn is more than fourteen weeks old.

91.15 Having considered the requirements of this clause the head of service will approve an employee's application to access primary care giver leave.

91.16 The total combined entitlement under this clause and the maternity leave clause, and equivalent clauses in any other ACTPS enterprise agreement, is eighteen weeks of paid leave in relation to the birth.

91.17 Primary care giver leave may be taken in any combination with maternity leave provided that the mother and the other employee entitled to primary care giver leave do not take these forms of paid leave concurrently.

Rate of Payment

91.18 Primary care giver leave will be granted with pay.

91.19 The rate of payment to be paid to the employee during a paid period of primary care giver leave is the same rate as would be paid if the employee was granted personal leave.

91.21 To avoid doubt, an employee's status and all other entitlements remain unaltered by the operation of subclause 91.20.

91.22 Primary care giver leave may be granted in any combination of full or half pay, with credits to be deducted on the same basis. The maximum paid period is up to thirty six weeks at half pay.

- 91.27 The employee will be paid at their ordinary hourly rate of pay for this time during unpaid primary care giver leave. - 112.5 Where the manager/supervisor or the head of service considers that the employee's conduct has not improved following counselling, an underperformance or misconduct process may be undertaken.

113. UNDERPERFORMANCE

- 113.1 Under this clause, procedures are established for managing underperformance by an employee.
- 113.2 This clause applies to all employees, except casual employees. In applying these procedures to officers on probation, temporary employees engaged for over six months or eligible casual employees, the head of service may determine that procedures and practices throughout Clause 113 may be applied on an appropriate and proportionate basis according to the circumstances of the case, and in accordance with the principles of procedural fairness and natural justice.
- 113.3 The objectives of these procedures are to:

- (a) provide advice and support to an employee whose performance is below the standard required; and
- (b) to provide a fair, prompt and transparent framework for action to be taken where an employee continues to perform below expected standard.

113.4 Consistent with good management practice, concerns about under performance should be raised by the manager/supervisor with the employee at the time that the concerns arise. The manager/supervisor should offer advice and support to the employee to overcome these concerns. The manager/supervisor should inform the employee that the following procedures might be invoked if the underperformance continues.

113.5 In order to ensure that these procedures operate in a fair and transparent manner, the manager/supervisor will be responsible for documenting all relevant discussions. The employee must be given the opportunity to comment on any records before signing them.

113.6 All parties have an obligation to participate in underperformance processes in good faith.

Step One: Action Plan

113.7 Where a manager/supervisor assesses that an employee's work performance continues to be below expected standards after having previously discussed concerns with the employee in line with subclause 113.4, the manager/supervisor will inform the employee in writing of this assessment and the reasons for it. The employee will be invited by the manager/supervisor to provide written comments on this assessment, including any reasons that in the employee's view may have contributed to their recent work performance.

113.8 After taking into account the comments from the employee, the manager/supervisor must prepare an action plan in consultation with the employee.

113.9 The manager/supervisor will invite the employee to have a support person, who may be the employee's union or other employee representative, present at discussions on developing the action plan and allow reasonable opportunity for this to be arranged.

113.10 The action plan will:

- (a) identify the expected standard of work required of the employee on an on-going basis;
- (b) identify and/or develop any learning and development strategies that the employee should undertake;
- (c) outline the potential underperformance actions that may be taken if the employee does not meet the expected standard;
- (d) specify the action plan period, which should not normally be less than one month and should not exceed six months to allow the employee sufficient opportunity to achieve the required standard; and
- (e) specify the assessment criteria to be measured within the action plan period.

- 113.11 Any current performance agreement will be suspended during the action plan. Any incremental advancement action for the employee will be suspended during the action plan period.

Step Two: Regular Assessment

- 113.12 During the action plan period, the manager/supervisor will make regular written assessments (desirably every fortnight) of the employee's work performance under the action plan. The employee will be given an opportunity to provide written comments on these assessments.
- 113.13 If the manager/supervisor considers that further assessment time is needed the manager/supervisor may extend the action plan period. However, the extended assessment time must not result in the action plan exceeding six months duration. The manager/supervisor will inform the employee in writing of the decision to extend the assessment time and the duration of the action plan.

Step Three: Final Assessment / Report

- 113.14 If at the end of the action plan period, the manager/supervisor assesses the work performance of the employee as satisfactory, no further action will be taken under these procedures at that time. The manager/supervisor will inform the employee in writing of this decision.
- 113.15 If at the end of the action plan period, the manager/supervisor assesses the work performance of the employee as not satisfactory, the manager/supervisor will provide a report including the assessment and reasons for the assessment to the head of service.

Step Four: Underperformance Action

- 113.16 The head of service will advise the employee in writing:
- (a) of the assessment and reasons for the manager's/supervisors assessment;
 - (b) of the underperformance action/s (subclause 113.17) proposed to be taken and the reasons for proposing this action;
 - (c) of the employee's right to respond in writing to the proposed action within a period of not more than seven calendar days.
- 113.17 At any time after seven calendar days from the date the head of service advised the employee under subclause 113.16 and after considering any response from the employee, the head of service may decide to take one or more of the following underperformance actions:
- (a) transfer the employee to other duties (at or below current pay);
 - (b) defer the employee's increment;
 - (c) reduce the employee's incremental point;
 - (d) temporarily or permanently reduce the employee's classification and pay;
 - (e) remove any monetary benefit derived through an existing Attraction and Retention Incentive (or existing SEA);

(f) terminate the employee's employment

113.18 The head of service will inform the employee in writing of the decision made under subclause 113.17, the reasons for the decision and the appeal mechanisms available under this Agreement.

113.19 At any time in these procedures, the employee may elect to be retired on the grounds of inefficiency.

114. APPEAL RIGHTS

114.1 The employee has the right under Section Q to appeal any underperformance action taken under subclause 113.17, except action to terminate the employee's employment.

114.2 The employee may have an entitlement to bring an action under the FW Act in respect of any termination of employment under this Agreement. This will be the sole right of review of such an action.

115. MISCONDUCT & DISCIPLINE

Objectives and Application

115.1 This clause establishes procedures for managing misconduct or alleged misconduct by an employee.

115.2 In applying these procedures to officers on probation, an eligible casual employee or a temporary employee who has been engaged for over six months, the head of service may determine that procedures and practices throughout Clauses 115 to 119 apply on an appropriate and proportionate basis according to the circumstances of the case.

115.3 The objective of these procedures is to encourage the practical and expeditious resolution of misconduct issues in the workplace.

115.4 All parties have an obligation to participate in misconduct processes in good faith.

What is Misconduct

115.5 For purposes of this Section, misconduct includes any of the following:

- (a) the employee fails to meet the obligations set out in section 9 of the PSM Act 1994 (this includes bullying and harassment or discrimination);
- (b) the employee engages in conduct that has brought, or is likely to bring, the Directorate or ACTPS into disrepute;
- (c) a period of unauthorised absence and the employee does not offer a satisfactory reason on return to work;
- (d) the employee is convicted of a criminal offence or where a court finds that an employee has committed an offence but a conviction is not recorded, taking into account the

circumstances and seriousness of the offence, the duties of the employee and the interests of the ACTPS and/or of the Directorate;

- (e) the employee fails to notify the head of service of criminal charges in accordance with Clause 120.
- (f) The employee makes a vexatious or knowingly false allegation against another employee.

What is serious Misconduct

115.6 Serious misconduct means conduct that is so serious that it may be inconsistent with the continuation of the employee's employment with the Territory. Serious misconduct includes but is not limited to the kinds of serious misconduct defined within the Fair Work Regulations.

116. DEALING WITH ALLEGATIONS OF MISCONDUCT

- 116.1 If, after receiving a recommendation from the manager/supervisor under 111.2(e), the head of service is of the opinion that the alleged misconduct cannot be resolved without recourse to investigation the head of service will:
- (a) inform the appropriate Human Resources Manager that an investigation is to take place;
 - (b) with the assistance of the appropriate Human Resource Manager make arrangements for an appropriately trained or experienced person (the investigating officer) to investigate the alleged misconduct in accordance with clause 118; and
 - (c) inform the employee in writing of the alleged misconduct and that the matter is to be investigated.
- 116.2 Depending on the nature of the alleged misconduct the head of service may immediately transfer the employee to other duties, re-allocate duties away from the employee or suspend the employee with pay in accordance with clause 117. Where serious misconduct is alleged the head of service may suspend an employee without pay
- 116.3 Notwithstanding the provisions of this section, the employment of an employee may be summarily terminated without notice for serious and wilful misconduct.
- 116.4 No investigation may be necessary where the employee fully admits to the alleged misconduct and the employee agrees that there is no need for an investigation. In such cases, the head of service may determine the appropriate disciplinary action/sanction in accordance with clause 119. The head of service must ensure that they have sufficient information concerning the nature and full circumstances of the misconduct, any mitigating factors, and details of the employee's prior service record and performance to enable a fair and reasonable determination under clause 118 to be made.

117. SUSPENSION REASSIGNMENT OR TRANSFER

- 117.1 This clause applies to all employees including eligible casual employees and employees on probation.
- 117.2 Subject to these procedures, the head of service may suspend an employee with pay or without pay, reassign or transfer an employee where the head of service is satisfied that it is in the public interest, the interests of the ACTPS or the interests of the Directorate to do so while the alleged misconduct is being investigated.
- 117.3 The procedures applying under subclauses 117.4, 117.5 and 117.10 will also apply in circumstances where an employee has been reassigned or transferred with pay to other duties following an allegation of misconduct.
- 117.4 The head of service will not normally suspend, reassign or transfer an employee without first informing the employee of the reasons for the proposed suspension, reassignment or transfer and giving the employee the opportunity to be heard. However the head of service may suspend an employee first and then give the employee the reasons for the suspension and an opportunity to be heard, where, in the head of service's opinion, this is appropriate in the circumstances.
- 117.5 Whilst suspended with pay an employee will be paid:
- (a) the employee's ordinary hourly rate of pay and any higher duties allowances that would have been paid to the employee for the period they would otherwise have been on duty; and
 - (b) overtime (but not overtime meal allowance) and shift penalty payments where there is a regular and consistent pattern of extra duty or shift work being performed over the previous six months which would have been expected to continue but for the suspension from duty; and
 - (c) any other allowance or payment (including under a Attraction and Retention Incentive entered into in accordance with Annex C to this Agreement) of a regular or on-going nature that is not conditional on performance of duties.
- 117.6 Where a decision is made to suspend an employee with pay no appeal or review of that decision is available.
- 117.7 An employee who is suspended must be available to attend work and participate in the disciplinary process as directed within 48 hours of the direction being given unless they are on authorised leave.
- 117.8 Suspension without pay is usually only appropriate where serious misconduct is alleged or where the employee is charged with a criminal offence that would in the opinion of the head of service be incompatible with the continuation of the employee's employment.

- 117.9 Whilst suspended without pay:
- (a) the suspension will not be for more than thirty calendar days, unless exceptional circumstances apply;
 - (b) the employee may apply to the head of service for permission to seek alternate employment outside the ACTPS for the period of the suspension or until the permission is revoked;
 - (c) in cases of demonstrated hardship, the employee may access accrued long service leave and/or annual leave;
 - (d) the employee may apply to the head of service for the suspension to be with pay on the grounds of demonstrated hardship.
- 117.10 The suspension without pay should be reviewed every thirty calendar days unless, the head of service considers that, in the circumstances, a longer period is appropriate.
- 117.11 An employee suspended without pay and who is later acquitted of the criminal offence, or found not to have been guilty of the misconduct:
- (a) is entitled to be repaid the amount by which the employee's pay was reduced; and
 - (b) is entitled to be credited with any period of long service or annual leave that was taken.
- 117.12 Where an employee is suspended and later found guilty of a criminal offence (whether or not a conviction is recorded), or is found guilty of misconduct and is dismissed because of the offence or misconduct, a period of suspension under this clause does not count as service for any purpose, unless the head of service determines otherwise.

118. INVESTIGATIONS

- 118.1 The role of the investigating officer is to establish the facts of the allegations and to provide a report of those facts to the head of service.
- 118.2 The investigating officer will:
- (a) inform the employee in writing of the particulars of the alleged misconduct, and details concerning the instigative process; and
 - (b) give the employee a reasonable opportunity to respond to allegations, in writing and/or at a scheduled interview, before making a finding of fact; and
 - (c) provide the employee with at least twenty four hours written notice prior to conducting an interview, and advise the employee if the interview is to be recorded electronically; and
 - (d) advise the employee that the employee may have a second person present during the interview, who may be the employee's union representative or other individual acting as a support person and will allow reasonable opportunity for this to be arranged; and

- (e) as soon as practicable take any further steps considered necessary to establish the facts of the allegations; and
- (f) provide a record of the interview to the employee to correct any inaccuracies in the record and to provide any further response in relation to the allegations before signing the record. If the employee elects not to sign the record, then details of the offer will be noted; and
- (g) provide a written report to the head of service setting out the investigating officer's findings of fact.

118.3 The investigating officer's findings of fact will be made of the balance of probabilities.

118.4 The head of service may authorise access to ACTPS information and communication technology (ICT) records including email, computer, work phone records, or building access logs if, in the opinion of the head of service, the investigating officer requires access in order to establish the facts of the allegations.

118.5 After considering the report from the investigating officer, the head of service will make a determination on the balance of probabilities as to whether misconduct has occurred.

118.6 If the head of service determines that the misconduct has not occurred, the head of service will notify the employee of this finding and advise that no sanctions will be imposed.

119. DISCIPLINARY ACTION AND SANCTIONS

119.1 In circumstances where the head of service, following an investigation or full admission by the employee, determines misconduct has occurred, and the head of service considers disciplinary action is appropriate, one or more of the following sanctions may be taken in relation to the employee:

- (a) a written warning and admonishment;
- (b) a financial penalty which can:
 - (i) reduce the employee's incremental level;
 - (ii) defer the employee's incremental advancement;
 - (iii) impose a fine on the employee;
 - (iv) fully or partially reimburse the employer for damage wilfully incurred to property or equipment.
- (c) transfer the employee temporarily or permanently to another position at level or to a lower classification level;
- (d) remove any monetary benefit derived through an existing Attraction and Retention Incentive (or existing SEA); or
- (e) termination of employment.

- 119.2 In relation to paragraph 119.1(c) if an employee's classification is reduced as a result of disciplinary action, service before the demotion is not counted towards an increment for any higher duties the employee performs after demotion.
- 119.3 Sanctions imposed under these procedures must be proportionate to the degree of misconduct concerned. In determining the appropriate sanction, the following factors must be considered
- (a) the nature and seriousness of the misconduct;
 - (b) the degree of relevance to the employee's duties or to the reputation of the Directorate or the ACTPS;
 - (c) the circumstances of the misconduct;
 - (d) any mitigating factors, including any full admission of guilt; and
 - (e) the previous employment history and the general conduct of the employee.
- 119.4 Before taking discipline action, the head of service will advise the employee in writing of:
- (a) the decision that misconduct has been found to have occurred; and
 - (b) the reasons for arriving at this decision; and
 - (c) the sanction proposed; and
 - (d) the period during which the employee has to respond to the proposed discipline action (which must be a minimum of fourteen calendar days).
- 119.5 After considering the employee's response to the proposed action, or if the employee has not responded at any time after the period outlined in paragraph 119.4(d) has lapsed, the head of service may take disciplinary action. The head of service will inform the employee in writing of:
- (a) the final decision regarding discipline action to be taken; and
 - (b) the date of effect and/or, if relevant, the cessation of the action; and
 - (c) the appeal mechanisms that are available under this Agreement.

120. CRIMINAL CHARGES

- 120.1 An employee must advise the head of service in writing of any criminal charges laid against the employee in circumstances where a reasonable person would believe that the interests of the Directorate or of the ACTPS may be adversely affected, taking into account:
- (a) the circumstances and seriousness of the alleged criminal offence; and
 - (b) the employee's obligations under section 9 of the PSM Act 1994; and

- (c) the effective management of the employee's work area; and
- (d) the integrity and good reputation of the ACTPS and the Directorate; and
- (e) the relevance of the offence to the employee's duties.

- 120.2 Where criminal charges are laid against an employee and the interests of the Directorate or of the ACTPS may be adversely affected, the head of service may suspend the employee in accordance with the suspension arrangements under Clause 117.
- 120.3 If an employee is convicted of a criminal offence, the employee will provide a written statement regarding the circumstances of the offence to the head of service within seven calendar days of the conviction or the finding.
- 120.4 Where an employee is convicted of a criminal offence, or and the conviction or finding has adversely affected the interests of the Directorate or the ACTPS, the head of service may take discipline action against the employee in accordance with Clause 119.

121. RIGHT OF APPEAL

- 121.1 An employee has the right under Section Q to appeal against any discipline action or to apply a sanction under subclause 119.1, or against any decision taken under Clause 117 to suspend the employee without pay, or to transfer the employee at a reduced pay, except action to terminate the employee's employment.
- 121.2 An employee may have an entitlement to bring an action under the FW Act in respect of any decision under this Section to terminate the employee's employment. This will be the sole right of review of such a decision.
- 121.3 The appeal procedures under Section N apply to the exclusion of the rights of appeal and review under the PSM Act 1994 and the internal review procedures contained in Section P of this Agreement.

122. COMPETENCY REVIEW PROCEDURES

- 122.1 This clause deals with matters relating to an employee's competence to practice medicine, or a matter related to the scope of practice of a Senior Medical Practitioner.
- 122.2 Such matters will be managed in accordance with the policy and Standard Operating Procedure (SOP) for reviewing the clinical competence of a doctor, providing that:
- (a) The principles of natural justice will apply to all aspects of the process;
 - (b) Nothing in the policy or the SOP will preclude the Directorate from meeting any obligation under relevant legislation, including the *Health Practitioner Regulation National Law (ACT) Act 2010* or the *Health Act 1993*.
- 122.3 Actions pursuant to this Clause are not considered disciplinary or underperformance actions for the purposes of Section Q of this Agreement.

- 122.4 Matters relating to underperformance, discipline or misconduct should be dealt with under the relevant provisions of Section N.

123. SCOPE OF CLINICAL PRACTICE PROCESSES

- 123.1 The Directorate is responsible for ensuring that employees are appropriately qualified. A part of this process is the determination of scope of clinical practice as provided for under the *Health Act 1993*.
- 123.2 Senior Medical Practitioners covered by this Agreement are required to comply with and co-operate with the scope of clinical practices processes as established by the Health Directorate in accordance with the *Health Act 1993*.

PART 6: WORKING RELATIONSHIPS

Section O – Communication and Consultation

124. CONSULTATION

- 124.1 There should be effective consultation and employee participation in decisions that affect an employee's employment. This is essential to the successful management of change.
- 124.2 Where there are proposals by the ACTPS to introduce changes in the organisation or to existing work practices, the head of service will consult with affected employees and union(s).
- 124.3 The head of service will provide relevant information to assist the employees and the union(s) to understand the reasons for the proposed changes and the likely impact of these changes so that the employees and the unions are able to contribute to the decision making process.
- 124.4 For the purpose of providing effective consultation:
- (a) Adequate time will be provided to employees and union(s) to consult with the Directorate;
 - (b) Directorate Consultative Committees (DCCs) will be established, with membership to be agreed by the head of service and the union(s) following commencement of this Agreement; and
 - (c) 3 Workplace Consultative Committees (WCC) will be established to represent the Senior Medical Officers, Career Medical Officers and Junior Medical Officers.
 - (d) Additional levels of consultation, such as additional Workplace Consultative Committees (WCC), may be established with the agreement of the DCC to operate at the local level. Where established these levels of consultation will deal with workplace specific issues before such issues may be raised with the DCC and have membership agreed by the DCC.

Consultation on Changes to Regular Rosters or Ordinary Hours of Work

- 124.7 Where the ACTPS proposes to introduce a change to the regular roster or ordinary hours of work of employees, the following will apply:

- (a) the head of service must notify the relevant employees of the proposed change;
- (b) the head of service must recognise the affected employee(s) union or other representative;
- (c) as soon as practicable after proposing to introduce the change, the head of service must:
 - (i) discuss with the relevant employees the introduction of the change; and
 - (ii) for the purposes of the discussion, -provide to the relevant employees:

- 124.8 However, the head of service is not required to disclose confidential or commercially sensitive information to the relevant employees.

- 124.9 The head of service must give prompt and genuine consideration to matters raised about the change by the relevant employees. These provisions are to be read in conjunction with other consultative obligations detailed in the Agreement.

Note: In this term **"relevant employees"** means the employees who may be affected by a change referred to in subclause 124.7.

- 124.10 In addition, the employer undertakes that, for the purposes of subclause 124.2, the head of service will recognise and consult with the affected employee(s), their union or other representative.

125. DISPUTE AVOIDANCE/SETTLEMENT PROCEDURES

- 125.1 The objective of these procedures is the prevention and resolution of disputes about:
- (a) matters arising in the workplace, including disputes about the interpretation or implementation of the Agreement; and
 - (b) the application of the National Employment Standards.
- 125.2 For the purposes of this clause, except where the contrary intention appears, the term 'parties' refers to 'parties to the dispute'.
- 125.3 All persons covered by this Agreement agree to take reasonable internal steps to prevent, and explore all avenues to seek resolution of, disputes.
- 125.4 An employee who is a party to the dispute may appoint a representative, which may be a relevant union, for the purposes of the procedures of this clause.
- 125.5 In the event there is a dispute, the following processes will apply.
- 125.6 Where appropriate, the relevant employee or the employee's representative will discuss the matter with the employee's supervisor. Should the dispute not be resolved, it will proceed to the appropriate management level for resolution.
- 125.7 In instances where the dispute remains unresolved, the next appropriate level of management, the employee, the union or other employee representative will be notified and a meeting will be arranged at which a course of action for resolution of the dispute will be discussed.
- 125.8 If the dispute remains unresolved after this procedure, a party to the dispute may refer the matter to FWC.
- 125.9 The FWC may deal with the dispute in two stages:
- (a) FWC will first attempt to resolve the dispute as it considers appropriate, including by mediation, conciliation, expressing an opinion or making a recommendation; and
 - (b) if FWC is unable to resolve the dispute at this first stage, FWC may then:
 - (i) arbitrate the dispute; and
 - (ii) make a determination that is binding on the parties.
- 125.10 The FWC may exercise any powers it has under the FW Act as are necessary for the just resolution or determination of the dispute.
- 125.11 A person may be assisted and represented at any stage in the dispute process in the FWC on the same basis as applies to representation before FWC under section 596 of the FW Act.
- 125.12 All persons involved in the proceedings under subclause 125.9 will participate in good faith.

- 125.13 Unless the parties agree to the contrary, FWC will, in responding to the matter, have regard to whether a party has applied the procedures under this term and acted in good faith.
- 125.14 The parties agree to be bound by a decision made by FWC in accordance with this clause.
- 125.15 However, any party may appeal a decision made by FWC in accordance with the FW Act.
- 125.16 Despite the above, the parties may agree to submit the dispute to a body or person other than FWC. Where the parties agree to submit the dispute to another body or person:
- (a) all of the above provisions apply, unless the parties agree otherwise; and
 - (b) references to FWC in the above provisions will be read as a reference to the agreed body or person;
 - (c) all obligations and requirements on the parties and other relevant persons under the above provisions will be complied with; and
 - (d) the agreed body or person must deal with the dispute in a manner that is consistent with section 740 of the FW Act.
- 125.17 While the parties are trying to resolve the dispute using procedures in this clause:
- (a) an employee must continue to perform his or her work as he or she would normally unless he or she has a reasonable concern about an imminent risk to his or her health or safety; and
 - (b) an employee must comply with a direction given by the head of service to perform other available work at the same workplace, or at another workplace, unless:
 - (i) the work is not safe; or
 - (ii) applicable workplace health and safety legislation would not permit the work to be performed; or
 - (iii) the work is not appropriate for the employee to perform; or
 - (iv) there are other reasonable grounds for the employee to refuse to comply with the direction.

126. FLEXIBILITY TERM

- 126.1 The head of service and an individual employee may agree to vary the application of certain provisions of this Agreement to meet the genuine needs of a business unit in the ACTPS and of the individual employee (an individual flexibility arrangement).
- 126.2 The provisions of this Agreement that the head of service and an individual employee may agree to vary through an individual flexibility arrangement are:
- (a) vacation childcare subsidy (subclause 74.1) and

(b) and family care costs (subclause 75.1).

126.3 The head of service must ensure that the terms of the individual flexibility arrangement:

- (a) are about matters that would be permitted if the arrangement were an enterprise agreement;
- (b) does not include a term that would be an unlawful term if the arrangement were an enterprise agreement; and
- (c) will result in the employee being better off overall than the employee would have been if no individual flexibility arrangement were agreed to.

126.4 The head of service must ensure that the individual flexibility arrangement:

- (a) identifies the clause in 126.2 of this Agreement that the head of service and the employee have agreed to vary;
- (b) sets out details of how the arrangement will vary the effect of the clause;
- (c) includes details of how the employee will be better off overall in relation to the terms and conditions of his or her employment as a result of the arrangement; and
- (d) states the day the arrangement commences.

126.5 An individual flexibility arrangement made under this clause must be genuinely agreed to by the head of service and the individual employee.

126.6 Except as provided in subclause 126.7(b), an individual flexibility arrangement made under this clause must not include a provision that requires the individual flexibility arrangement to be approved, or consented to, by another person.

126.7 The head of service must ensure that an individual flexibility arrangement made under this clause must be in writing and signed:

- (a) in all cases - by the employee and the head of service; and
- (b) if the employee is under eighteen – by a parent or guardian of the employee.

126.8 The head of service must give the employee a copy of an individual flexibility arrangement made under this clause within fourteen days after it is agreed to.

126.9 The head of service or the employee may terminate the individual flexibility arrangement:

- (a) by giving written notice of no more than twenty eight days to the other party to the arrangement; or
- (b) if the head of service and the employee agree in writing – at any time.

- 126.10 The right to make an individual flexibility arrangement under this clause is in addition to, and is not intended to otherwise affect, the right of the head of service and an individual employee to make an agreement under any other provision of this Agreement.

127. FREEDOM OF ASSOCIATION

- 127.1 The ACTPS recognises that employees are free to choose whether or not to join a union. Irrespective of that choice, employees will not be disadvantaged or discriminated against in respect of the employees' employment under this Agreement. The ACTPS recognises that employees who choose to be members of a union have the right to choose to have their industrial interests represented by the union.
- 127.2 Employees in negotiations of any kind are entitled to negotiate collectively where they so choose.
- 127.3 Employees engaging in negotiations of any kind are entitled to be represented by a representative of their choice. The ACT Government will deal with any such representative in good faith.

128. RIGHT OF EXISTING AND NEW EMPLOYEES TO REPRESENTATION IN THE WORKPLACE

- 128.1 The ACTPS acknowledges the rights of its employees to be represented and to meet with their representatives in the workplace. The ACTPS recognises the legitimate right of the union(s) to represent its employees who are members, or eligible to become members of the union(s).
- 128.2 The FW Act prescribes the purpose and manner under which the union(s) may exercise right of entry in the workplace. The Directorate will grant the union(s) access in accordance with the FW Act.
- 128.3 In addition, the ACTPS will:
- (a) allow union officials and employees, who are permit holders, to enter ACTPS workplaces for normal union business or to represent employees, to meet with management or members and to distribute or post material, provided that work is not disrupted;
 - (b) allow the union(s) to meet with new ACTPS employees who are members, or who are eligible to become members, of the union(s), at a time during normal working hours which the union(s) and the head of service agree upon, and of which the head of service will advise the employees;
 - (c) provide all new ACTPS employees with some form of induction program, including an induction package containing information about the union(s) which the union(s) has given the ACTPS; and
 - (d) invite the union(s) to attend any face to face induction of new ACTPS employees, the details of which the head of service will advise to the union(s) contact officer or other nominated person with reasonable notice. Such attendance will be included as an integral part of the induction process and be for the purpose of delivering an information presentation including recruitment information to new ACTPS employees.

- 128.4 For the avoidance of doubt, nothing in subclause 128.3 should be taken as conferring a right of entry that is contrary to, or for which there is otherwise, a right of entry under the FW Act.

129. CO-OPERATION AND FACILITIES FOR UNIONS AND OTHER EMPLOYEE REPRESENTATIVES

- 129.1 For the purpose of ensuring that union(s) and other employee representatives who are employees of the ACTPS can effectively fulfil their employee representative role under this Agreement, the following provisions will apply.
- 129.2 Reasonable access to ACTPS facilities, including the internal courier service, access to the ACT Government communication systems, telephone, facsimile, photocopying, access to meeting rooms and storage space, will be provided to employee representatives to assist them to fulfil employee representative obligations, duties and responsibilities having regard to the ACTPS's statutory, operational requirements and resources.
- 129.3 In addition to the ACTPS facilities outlined in subclause 129.2, where available, a union or employee representative who is an employee of the ACTPS will be able to establish designated Outlook public folders which will provide a collaborative electronic workspace to improve the flow of information. The use of ACTPS facilities will be in accordance with published whole-of-government policies and for matters other than for industrial action.
- 129.4 A union or other employee representative who is an employee of the ACTPS will be provided with adequate paid time, as required by the responsibilities of the position, to undertake duties to represent employees during normal working hours. While these duties would normally be expected to be performed within the workplace, on occasions the union(s) or employee representative may be required to conduct these duties external to the workplace.

130. ATTENDANCE AT INDUSTRIAL RELATIONS COURSES AND SEMINARS

- 130.1 For the purpose of assisting employees in gaining a better understanding of industrial relations issues relating to this Agreement, leave will be granted to employees to attend recognised short training courses or seminars on the following conditions:
- (a) that operating requirements permit the granting of leave;
 - (b) that the scope, content and level of the short courses contribute to the better understanding of industrial relations issues;
 - (c) leave granted under this clause will be with full pay, not including shift and penalty payments or overtime; and
 - (d) each employee will not be granted more than fifteen days/shifts leave in any calendar year.
- 130.2 If the employee has applied for leave under subclause 130.1 and the application was rejected because of operational requirements, approval of any subsequent application for leave by the employee under subclause 130.1 will not be withheld unreasonably, provided that the employee gives the manager/supervisor at least fourteen days/shifts notice in writing.

130.3 The ACTPS will accept any short course conducted or accredited by a relevant employee organisation (for example, union(s), the Australian Council of Trade Unions or the ACT Trades and Labour Council) as a course to which subclause 130.1 applies.

130.4 Leave granted for this purpose will count as service for all purposes.

131. WORK ORGANISATION

131.1 An employee agrees to carry out all lawful and reasonable directions of the head of service according to the requirements of the work and the employee's skill, experience and competence, in accordance with this Agreement and without deskilling the employee.

131.2 An employee will not, unless this is done in the course of the employee's duties or as required by law or by the ACTPS, use or disclose to any person any confidential information about the ACTPS's business that becomes known to the employee during the employee's employment.

131.3 The ACTPS will not reveal to any person any medical, financial or personal details of the employee that the ACTPS may have obtained, except with the permission of the employee or where the ACTPS is under a legal obligation to do so.

132. PRIVATISATION

132.1 In order to promote job security of employees, the parties agree that privatisation of a Government entity may only occur where:

- (a) The entity does not perform a role central to the functions of Government; and
- (b) disadvantaged groups would not be negatively affected by the privatisation; and
- (c) a social impact statement has been completed which indicates that there is a demonstrated public benefit from the sale.

132.2 In the event that privatisation of an ACTPS Directorate or a service or services currently supplied by an ACTPS Directorate is under consideration, the parties will consult on the implications for employees and the Directorate from these proposals.

132.3 Where such privatisation is under consideration, the ACTPS will provide the necessary reasonable resources to develop an in-house bid and this bid will be prepared either offsite or onsite as determined by the head of service and subject to consideration on equal terms to any other bid. An independent probity auditor will be appointed by the head of service to oversee the assessment of the in-house bid.

133. SUPERANNUATION

133.1 The Government will, through the Chief Minister, Treasury and Economic Development Directorate, consult with unions and employees on changes to superannuation legislation that may be proposed by the Commonwealth.

Section P – Internal Review Procedures

134. OBJECTIVES AND APPLICATION

- 134.1 Under this section, procedures are established for employees to seek a review of management actions that affect their employment with the ACTPS.

- 134.3 These procedures apply to all employees covered by this Agreement.

136. INITIATING A REVIEW

- 136.1 An employee should first discuss their concerns about an action or decision with the relevant decision maker with a view to resolving the matter within the workplace before initiating a review under these procedures.
- 136.2 An employee, or the employee's union or other employee representative on the employee's behalf, has the right to apply for a review of any action or decision that effects the employee's employment, unless the action or decision is specifically excluded under this Section.
- 136.3 An employee, or the employee's union or other employee representative, may initiate a review under this Section by making an application to the head of service that:
 - (a) Is in writing; and
 - (b) Identifies the action and/or decision which the employee seeks a review of, and
 - (c) identifies the reasons the review is sought including, in the employee's view, the effect/s that the action or decision has or is having on the employees employment; and
 - (d) describes the outcome sought.

137. REVIEW PROCESS

- 137.1 Where appropriate, and agreed by the employee who made the application under clause 136, or the employee's union or other employee representative on the employee's behalf, the head of service must consider mediation as an option before arranging for a review under subclause 137.3. The mediator will be agreed between the employee and the head of service.
- 137.2 In the event that mediation does take place and that it resolves the issues raised in the application, then no further action is required under these procedures. In that event a formal written statement that the issue has been resolved must be signed by the employee and the head of service.
- 137.3 Subject to subclauses 137.1 and 137.2, the head of service must arrange for an application made under clause 136 to be reviewed by an independent person (the reviewer) who may be:
- (a) a suitably skilled employee or executive who was not involved in the original action; or
 - (b) a person taken from a list of panel providers approved by the Commissioner for Public Administration.
- 137.4 The head of service may determine the process under which an application is reviewed, subject to the principles set out in subclause 137.5.
- 137.5 The reviewer must have due regard to the principles of natural justice and procedural fairness and act as quickly as practicable consistent with a fair and proper consideration of the issues. This includes but is not limited to:
- (a) fully informing the employee of all relevant issues and providing access to all relevant documents; and
 - (b) providing reasonable opportunity for the employee to respond; and

- 137.6 The reviewer may recommend to the head of service that an application should not be considered on any of the following grounds:
- (a) the application concerns a decision or action that is excluded under subclause 135.1; or
 - (b) a period of twenty-eight calendar days has elapsed since the employee was advised of the decision or action except where extenuating circumstances exist; or
 - (c) the employee has made an application regarding the decision or action to a court or tribunal, or where the reviewer believes it is more appropriate that such an application be made; or
 - (d) the reviewer believes on reasonable grounds that the application:
 - (i) is frivolous or vexatious; or
 - (ii) is misconceived or lacks substance; or

(iii) should not be heard for some other compelling reason.

- 137.7 The head of service must either confirm a recommendation made by the reviewer under subclause 137.6 that an application should not be considered or arrange for another reviewer to consider the application.
- 137.8 The head of service will inform the employee in writing, within fourteen calendar days of the date of any decision under subclause 137.7, including, the reasons for any decision not to consider the application.
- 137.9 If the reviewer does not make a recommendation under subclause 137.6, then the reviewer will conduct a procedural review on the papers to determine:
- (a) whether it was open to the head of service to take the action that he or she did;
 - (b) whether the principles of procedural fairness and natural justice were complied with in taking the original action; and
 - (c) whether the final decision of the head of service was fair and equitable in all of the circumstances.
- 137.10 The reviewer must be provided with all relevant information and evidence that was available to the delegate in the making of the original decision or in taking the original action. To ensure efficiency and timeliness, the reviewer should not undertake to collect the same information or new evidence which was not available at the time the original action or decision was made.
- 137.11 After reviewing any action or decision the reviewer will, subject to subclause 137.16, make a written report to the head of service containing recommendations on whether the action that led to the application should be confirmed or varied or that other action is taken. A copy of this report will be provided to the employee.
- 137.12 In keeping with subclause 137.11, if the reviewer is of the view that there is doubt over the veracity and/or validity of the information or evidence or processes used in making the initial decision or action, the reviewer will inform the head of service of that doubt and the reasons for it in the written report.
- 137.13 The employee may respond to any aspects of the report. Such a response must be in writing and be provided to the head of service within fourteen calendar days of the employee receiving the report.
- 137.14 The head of service, after considering the report from the reviewer and any response from the employee to the report of the reviewer, may:
- (a) confirm the original action; or
 - (b) vary the original action; or
 - (c) take any other action the head of service believes is reasonable.

- 137.15 The head of service will inform the employee in writing, within fourteen calendar days of the date of any decision under subclause 137.14 including the reasons for the action.
- 137.16 Where the subject of the application is an action or decision of the head of service, the written report of the reviewer will be made to the Commissioner for Public Administration. A copy of this report will be provided to the employee.
- 137.17 The Commissioner for Public Administration may, after considering the report from the reviewer, recommend to the head of service that:
- (a) the original action be confirmed; or
 - (b) the original action be varied; or
 - (c) other action be taken that the Commissioner for Public Administration believes is reasonable.
- 137.18 The head of service, after considering the report from the Commissioner for Public Administration, may:
- (a) accept any or all of the report's recommendation(s) and take such action as necessary to implement the recommendation(s); or
 - (b) not accept the report's recommendation(s) and confirm the original action.
- 137.19 If the head of service does not accept any one of the recommendation(s) of the Commissioner for Public Administration under subclause 137.17, the head of service will:
- (a) provide written reasons to the Commissioner for Public Administration for not accepting the recommendation(s); and
 - (b) provide the employee, within fourteen calendar days, with written reasons for not accepting the recommendation(s).
- 137.20 If the head of service does not accept any one of the recommendation(s) of the Commissioner for Public Administration under subclause 137.17, the Commissioner may report on this outcome in the Commissioner's Annual Report.

138. RIGHT OF EXTERNAL REVIEW

- 138.1 The employee, or the employee's union or other employee representative on the employee's behalf, may seek a review of a decision or action of the head of service under subclause 137.14 or subclause 137.18 by an external tribunal or body, including the FWC.
- 138.2 The FWC will be empowered to resolve the matter in accordance with the powers and functions set out in Clause 125 of this Agreement. The decision of the FWC will be binding, subject to any rights of appeal against the decision to a Full Bench in accordance with subclause 125.15.

Section Q – Appeal Mechanism

139. OBJECTIVE AND APPLICATION

- 139.1 This section sets out an appeal mechanism for an employee (referred to in this section as “the appellant”) is not satisfied with the outcome of decisions described in the following clause.
- 139.2 This appeal mechanism will apply to:
- (a) decisions about promotion or temporary transfer to a higher or role (for periods in excess of six months) affecting the officer where the officer was an applicant for the position, except decisions made on the unanimous recommendation of a joint selection committee (see PSM Act and PSM Standards);

 - (f) decisions taken in relation to an employee’s eligibility for benefits under Clauses 151 and 152 and the amount of such benefits, the amount payable by way of income maintenance under Clause 155, and the giving of an involuntary notice of redundancy or notice of reduction in classification under Clauses 153 and 154.
 - (g) any other decision that is subject to appeal under the PSM Act.
- 139.3 For purposes of paragraph 139.2.(a), and 139.2 (b) an appeal may only be made in relation to promotions or temporary transfer to a higher office or role where the pay applicable is any classification with a maximum pay that is less than the minimum pay of a classification equivalent to a Registrar 2. For positions above this level or equivalent classification, an application may be made for an internal review of the process (see subclause 135.2)
- 139.4 For the purposes of paragraph 139.2(b), any suitably qualified officer may appeal the decision.
- 139.5 An employee may have an entitlement to bring an action under the FW Act in respect of any termination of employment under this Agreement. This will be the sole right of review of such an action.

140. INITIATING AN APPEAL

- 140.1 An employee, or the employee's union or other representative, on the employee's behalf, may initiate an appeal under these procedures by making an application to the convenor of Appeal Panels that:
- (a) Is in writing; and
 - (b) Describes the decision or action taken or to be taken, the reasons for the application and the outcome sought; and
 - (c) Is received by the convenor of the Appeal Panels within fourteen calendar days of being notified of the decision to take the action.
- 140.2 For the purposes of paragraph 140.1(b), a decision must be an appealable decision as set out in subclause 139.2.

141. COMPOSITION OF THE APPEAL PANEL

- 141.1 The head of service will nominate a person, or position, to be the Convenor of the Appeals Panel.
- 141.2 Where an application is received by the Convenor of the Appeals Panel in accordance with the requirements set out in Clause 140.1 and 140.2 the Convenor of Appeal Panels will set up an Appeal Panel.
- 141.3 The Appeal Panel will comprise a nominee of the relevant Directorate, a nominee of the employee and a chairperson, where:
- (a) The chairperson is chosen from a panel of providers approved by the Commissioner for Public Administration (in consultation with the Joint Council), or, in the case of an appeal relating to a promotion decision, an agreed person; and
 - (b) A chairperson from the panel of providers is so chosen on a rotational basis, unless there is an identified conflict of interest, in which case the next person on the panel of providers would be chosen.
- 141.4 The Convenor may only be a member of an Appeal Panel with the agreement of the appellant.
- 141.5 A person is not eligible to be a member of an Appeal Panel if that person was involved in the decision or the process that is the subject of the application.

142. POWERS AND ROLE OF THE APPEAL PANEL

- 142.1 In considering an application, the Appeal Panel must have due regard to the principles of natural justice and procedural fairness. Proceedings of the Appeal Panel are to be conducted as quickly as practicable consistent with a fair and proper consideration of the issues.
- 142.2 The Convenor of the Appeal Panel will invite the appellant to have a support person, who may be the employee's union or other employee representative, present at any meetings with the Appeal Panel, and will allow reasonable opportunity for this to be arranged.

- 142.3 The Appeal Panel will have the discretion to decide not to conduct a review of the appeal application, or, if it has commenced reviewing the applicant, to decide not to proceed further if, in the opinion of the Panel:
- (a) The application is frivolous or vexatious, or not made in good faith; or
 - (b) The employee making the appeal may apply to another person or authority about the application who may more appropriately deal with the action; or
 - (c) further review of the application is not warranted.

143. APPEALS ABOUT PROMOTION AND TEMPORARY TRANSFER TO A HIGHER OFFICE OF ROLE

- 143.1 For appeals concerning promotion or transfer to a higher office or role under paragraph 139.2(a), the only ground on which the Appeal Panel can review the decision is the officer making the appeal would be more efficient in performing the duties of the position than the person promoted or selected for temporary transfer.
- 143.2 After reviewing an application about promotion or temporary transfer to a higher office or role affecting the appellant, the Appeals Panel will either confirm the decision or make recommendations to the head of service to substitute another decision. The head of service will inform the applicant of this decision and the reasons for the decision.

144. OTHER MATTERS

- 144.1 Where the Appeal Panel determines that an application for appeal requires further consideration, the Appeal Panel will conduct a procedural review on the papers to determine whether:
- (a) it was open to the head of service to take the action that he or she did;
 - (b) the principles of procedural fairness and natural justice were complied with in taking the original action or decision; and
 - (c) the final decision of the head of service was appropriate in all of the circumstances.
- 144.2 The Appeal Panel must be provided with all relevant information and evidence that was available to the decision-maker in the making of the original decision or in taking the original action. To ensure efficiency and timeliness, the Appeal Panel should not undertake to collect the same information or new evidence.
- 144.3 Where the Appeal Panel is satisfied that a fundamental piece of evidence was not considered in the original process, the Appeal Panel may recommend to the head of service that the matter be referred back to the original decision-maker for further investigation.
- 144.4 The decision-maker, after considering the referral from the Appeal Panel under subclause 144.3, will:
- (a) as soon as possible, arrange for a further investigation to be conducted, in line with the referral of the Appeal Panel, and will provide any further information, evidence or

outcomes of the further investigation to the Appeal Panel in order that they may complete their review; or

- (b) provide written reasons to the Appeal Panel, within fourteen calendar days, for not accepting their referral for further investigation.

- 144.5 After reviewing any application under this section, other than an appeal about promotion or temporary transfer to a higher office or role, the Appeal Panel will, subject to subclause 144.3, make a written report containing recommendations to the head of service. A copy of this report will be provided to the appellant.
- 144.6 In making recommendations to the head of service under subclause 144.5 or to the Commissioner for Public Administration under subclause 144.8, the Appeal Panel must provide the reasons for its recommendations.
- 144.7 The head of service, after considering the report from an Appeal Panel under subclause 144.5, will make a decision on any recommendation in the report and inform the appellant in writing of the reasons for that decision, within fourteen calendar days of receiving the report.
- 144.8 Where the subject of an application under this clause is a decision of the head of service then the Appeal Panel, after reviewing the application will, subject to subclause 144.3, make a written report containing recommendations to the Commissioner for Public Administration. A copy of this report will be provided to the appellant.
- 144.9 The Commissioner for Public Administration, after considering the report from an Appeal Panel under subclause 144.8, will recommend to the head of service that the decision that is the subject of the application:
- (a) be confirmed; or
 - (b) be varied; or
 - (c) other action taken.
- 144.10 The head of service, after considering the report from the Commissioner for Public Administration, may:
- (a) Accept any or all of the report's recommendation(s) and take such action as necessary to implement the recommendation(s); or
 - (b) Not accept the report's recommendation(s) and confirm the original action.
- 144.11 If the head of service does not accept the recommendations of the Commissioner for Public Administration under subclause 144.9, the head of service will:
- (a) Provide written reasons to the Commissioner for Public Administration for not accepting the recommendations; and
 - (b) Provide the appellant, within fourteen calendar days, with written reasons for not accepting the recommendations.

- 144.12 If the head of service does not accept the recommendations of the Commissioner for Public Administration under subclause 144.9, the Commissioner for Public Administration may report on this outcome in the Commissioner's Annual Report.

145. COSTS

- 145.1 The Territory will not be liable for any costs associated with representing an applicant in these procedures.

146. RIGHT OF EXTERNAL REVIEW

- 146.1 The employee, or the employee's union or other employee representative on the employee's behalf may seek a review by the FWC of a decision of the head of service under subclause 144.7 or subclause 144.10.
- 146.2 The FWC will be empowered to resolve the matter in accordance with the powers and functions set out in Clause 125 of this Agreement. The decisions of FWC will be binding, subject to any rights of appeal against the decision to a Full Bench in accordance with subclause 125.15.

Section R – Redeployment and Redundancy

147. APPLICATION

- 147.1 The ACTPS recognises the need to make the most effective use of the skills, abilities and qualifications of its officers in a changing environment. When positions become excess, the Directorate will seek to redeploy permanent officers within the Directorate or the ACTPS in order to avoid or minimise an excess officer situation. Should redeployment not be possible, voluntary redundancy, reduction in classification and involuntary redundancy will be considered in that order. Throughout these procedures, the Directorate will, where practicable, take into consideration the personal and career aspirations and family responsibilities of affected officers.
- 147.2 These provisions do not apply to temporary and casual employees or officers on probation.

148. DEFINITIONS

- 148.1 “Excess officer” means an officer who has been notified in writing by the head of service that he or she is excess to the ACTPS Directorate’s requirements because:
- (a) The officer is included in a class of officers employed in the ACTPS Directorate, which class comprises a greater number of officers than is necessary for the efficient and economical working of the Directorate; or
 - (b) The services of the officer cannot be effectively used because of technological or other changes in the work methods of the Directorate or changes in the nature, extent or organisation of the functions of the Directorate.
- 148.2 “Potentially excess officer” means an officer who is likely to become actually excess in a foreseeable space of time.

149. CONSULTATION

- 149.1 Where it appears to the head of service that a position is likely to be either potentially or actually excess to an ACTPS Directorate’s requirements, and prior to any individual employee(s) being identified, the head of service will, at the earliest practicable time, advise and discuss with the parties to this Agreement, the following issues (as appropriate in each case):
- (a) The number and classification of officers in the part of the Directorate affected;
 - (b) The reasons an officer is or officers are likely to be excess to requirements;
 - (c) The method of identifying officers as excess, having regard to the efficient and economical working of the Directorate and the relative efficiency of officers;
 - (d) The number, classification, location and details of the officers likely to be excess;
 - (e) The number and classification of officers expected to be required for the performance of any continuing functions in the part of the Directorate affected;

- (f) Measures that could be taken to remove or reduce the incidence of officers becoming excess;
- (g) Redeployment prospects for the officers concerned;
- (h) The appropriateness of using voluntary retirement; and
- (i) Whether it is appropriate for involuntary retirement to be used if necessary.

- 149.2 No information that would identify any individual officers will be provided by the head of service under this section.
- 149.3 The discussions under subclause 149.1 will take place over such time as is reasonable, taking into account the complexity of the restructuring and need for potential excess officer situations to be resolved quickly. Any use of involuntary retirement will be agreed between the unions at this stage and will not be used without the written agreement of the head of service and the union(s).
- 149.4 Except where a lesser period is agreed between the head of service and the officers, an officer will not, within one month after the union(s) have been advised under subclause 149.1, be invited to volunteer for retirement nor be advised in writing that he or she is excess to the Directorate's requirements.
- 149.5 The head of service will comply with the notification and consultation requirements for union(s) and Centrelink about terminations set out in the FW Act.

150. INFORMATION PROVIDED TO THE OFFICER

Informal Advice

- 150.1 At the point where individual employees can be identified, the head of service will advise the officer(s) that a position(s) is likely to become excess and that the employee may be affected. In that advice the officer(s) will also be advised that the officer may be represented by a union or other employee representative at subsequent discussions. The head of service will discuss with the officer(s) and, where chosen, the employee representative(s) the issues dealt with in paragraphs 149.1 (a) through (i) (as appropriate in each case).
- 150.2 The head of service will, at the first available opportunity, inform all officers likely to be affected by an excess staffing situation of the terms and operation of this section.

Formal Notification

- 150.3 The notification of an officer's potentially excess status will only be given when the consultation required under subclause 149.1 and the consultation required under subclause 150.1 has taken place. Following such consultation, where the head of service is aware that an officer is potentially excess, the head of service will advise the officer in writing.
- 150.4 To allow an excess officer to make an informed decision on whether to submit an election to be voluntarily retired, the head of service must provide the officer with advice on:

- (a) The sums of money the officer would receive by way of severance pay, pay instead of notice, and paid up leave credits; and
- (b) The career transition/development opportunities within the ACTPS.

150.5 The officer should seek independent advice on:

- (a) amount of accumulated superannuation contributions;
- (b) the options open to the officer concerning superannuation; and
- (c) the taxation rules applicable to the various payments.

150.6 The relevant directorate will supplement the costs of independent, accredited financial counselling incurred by each officer who has been offered voluntary redundancy up to a maximum of \$1000. The head of service will authorise the accredited financial counsellors to invoice the relevant directorate directly.

151. VOLUNTARY REDUNDANCY

151.1 At the completion of the discussions in accordance with Clause 149, the head of service may invite officers to elect to be made voluntarily redundant under this clause.

151.2 Where the head of service invites an excess officer to elect to be made voluntarily redundant, the officer will have a maximum of one calendar month from the date of the offer in which to advise the head of service of the officer's election, and the head of service will not give notice of redundancy before the end of the one month period.

151.3 Subject to subclause 151.4, where the head of service approves an election to be made redundant and gives the notice of retirement in accordance with the PSM Act, the period of notice will be one month, or five weeks if the officer is over forty-five years old and has completed at least two years continuous service.

151.4 Where the head of service so directs, or the officer so requests, the officer will be retired at any time within the period of notice under subclause 151.3, and the officer will be paid in lieu of pay for the unexpired portion of the notice period.

152. SEVERANCE BENEFIT

152.1 An officer who elects to be made redundant in accordance with this Clause will be entitled to be paid either of the following, whichever is the greater:

- (a) A sum equal to two weeks of the officer's pay for each completed year of continuous service, plus a pro-rata payment for completed months of continuous service since the last year of continuous service. The maximum sum payable under this paragraph will be 48 weeks' pay; or
- (b) Twenty-six weeks pay.

- 152.2 For the purpose of calculating any payment instead of notice or part payment, the pay an officer would have received had he or she been on annual leave during the notice period, or the unexpired portion of the notice period as appropriate, will be used.
- 152.3 For the purpose of calculating payment under subclause 152.1:
- (a) Where an officer has been acting in a higher position for a continuous period of at least twelve months immediately preceding the date on which he or she receives notice of retirement, the pay level will be the officer's pay in such higher position at that date;
 - (b) Where an officer has, during 50% or more of pay periods in the twelve months immediately preceding the date on which he or she receives notice of retirement, been paid a loading for shiftwork or are paid a composite pay, the weekly average amount of shift loading received during that twelve month period will be counted as part of "weeks pay";
 - (c) The inclusion of other allowances, being allowances in the nature of pay, will be with the approval of the head of service.
- 152.4 Where a redundancy situation affects a number of officers engaged in the same work at the same level, elections to be made redundant may be invited.
- 152.5 Nothing in this Agreement will prevent the head of service inviting officers who are not in a redundancy situation to express interest in voluntary redundancy, where such redundancies would permit the redeployment of potentially excess and excess officers who do not wish to accept voluntary redundancy.

153. REDEPLOYMENT

- 153.1 Redeployment of potentially excess and excess officers will be in accordance with the officer's experience, ability and, as far as possible, the officer's career aspirations and wishes.
- 153.2 The head of service will consider potentially excess and excess officers from other ACTPS agencies in isolation for vacancies at the officer's substantive level.
- 153.3 Excess officers (potential or actual) have absolute preference for transfer to positions at the officers' substantive level and must be considered in isolation from other applicants for any vacancy within the ACTPS. An excess officer need only be found suitable, or suitable within a reasonable time (generally three to six months) to be transferred to the position. For the purposes of this clause substantive level means the same classification or a classification where the maximum pay does not exceed the top increment of the officer's current classification by more than 10%.
- 153.4 The head of service will make every effort to facilitate the placement of an excess officer within the service.
- 153.5 The head or service will arrange reasonable training that would assist the excess officer's prospects for redeployment.
- 153.6 The head of service will provide appropriate internal assistance and career counselling and assist as necessary with the preparation of job applications.

- 153.7 An excess officer who does not accept voluntary redundancy is entitled to a seven month retention period.
- 153.8 The retention period will commence:
- (a) On the day the officer is advised in writing by the head of service that he or she is an actually excess officer; or
 - (b) In the case of an officer who is invited by the head of service to submit an election to be retired – one month after the day on which the election is invited;
- whichever is the earlier.
- 153.9 The head of service may reduce the officer in classification and place the officer in a specific position within their Directorate, where the officer:
- (a)
 - i. Was found unsuitable in a merit selection process for three separate positions; or
 - ii. has not applied for at least three separation positions, for which the officer could reasonably be expected to be qualified to perform, either immediately or in a reasonable time; and
 - (b) cannot be placed in gainful employment at the officer's substantive level at the end of retention period, and
 - (c) the officer agrees.
- 153.10 The agreement of an officer to be reduced in classification as required in paragraph 153.9(d) will not be unreasonably withheld.
- 153.11 Despite the above, if, at the end of the retention period, the head of service is of the opinion that there is insufficient productive work available for the excess officer, the head of service may, subject to the agreement of the officer, such agreement not to be unreasonably withheld, reduce the officer in classification in order to place the officer in a specific position in the ACTPS.
- 153.12 An excess officer will not be reduced in classification if he or she has been invited to elect to be voluntarily retired with benefits, or has made such an election and the head of service refuses to approve it.
- 153.13 Where the head of service proposes to reduce an excess officer's classification, the officer will be given no less than four weeks' notice of the action proposed; or five weeks if the officer is over forty-five years old and has completed at least two years of continuous service. This notice period will, as far as practicable, be concurrent with the seven month retention period.

154. INVOLUNTARY RETIREMENT

- 154.1 An excess office may be made involuntarily redundant, subject to the agreement of the union(s). This clause applies to excess officers who are not:

- (a) Retired with consent;
- (b) Redeployed to another position; or
- (c) Reduced in classification.

154.2 An officer may be involuntarily retired subject to the agreement of the union(s), such agreement not to be withheld if, during or after six months from the date the officer was declared excess, the officer:

- (a) Does not accept a transfer in accordance with the PSM Act; or
- (b) Has refused to apply for, or be considered for, a position for which the officer could reasonably be expected to be qualified to perform, either immediately or in a reasonable time.

154.3 Where the head of service believes that there is insufficient productive work available for an excess officer during the retention period, the head of service may make the officer involuntarily redundant before the end of the retention period.

154.4 An excess officer will not be involuntarily retired if he or she has not been invited to elect to be voluntarily retired with benefits, or has made such an election and the head of service refuses to approve it.

154.5 Where the head of service involuntarily retires an excess officer, the officer will be given no less than four weeks' notice of the action proposed; or five weeks if the officer is over forty-five years old and has completed at least two years of continuous service. This notice period will, as far as practicable, be concurrent with the seven month retention period.

155. INCOME MAINTENANCE PAYMENT

155.1 An officer who has been receiving a higher rate of pay for a continuous period of at least twelve months and who would have continued to receive that pay rate except for the excess officer declaration, will be considered to have the higher pay rate.

155.2 This pay will be known as the income maintenance pay. The income maintenance pay, where applicable, will be used for the calculation of all conditions and entitlements under this clause.

155.3 The income maintenance pay exists for the retention period or the balance of the retention period.

155.4 If an officer is involuntarily retired, the entitlements, including paying out the balance of the retention periods, where applicable, will be calculated on the income maintenance pay rate. If an officer is involuntarily retired during the retention periods the officer's date of retirement is the date that the officer would have retired after the retention period ceased, not the date of the involuntary retirement. All final entitlements will be calculated from the latter date.

155.5 If an officer is involuntarily reduced in classification during the retention period, the officer will be entitled to be paid at the income maintenance pay rate for the balance of the retention period.

- 155.6 All allowances in the nature of pay will be included in determining the income maintenance pay rate.

156. LEAVE AND EXPENSES TO SEEK EMPLOYMENT

- 156.1 At any time after the officer has been advised under subclause 150.3 of being potentially excess, the officer is entitled to paid leave to seek alternative employment. Leave granted under this clause will be for periods of time to examine the job and to attend interviews. Reasonable travelling time will also be granted.
- 156.2 The officer will be entitled to any reasonable fares and other incidental expenses if these are not met by the prospective employer.

157. USE OF PERSONAL LEAVE

- 157.1 The use of personal leave will not extend the retention periods of an officer unless these periods are supported by a medical certificate and/or are of such a nature as to make the seeking of employment during certificated personal leave inappropriate.
- 157.2 An officer who is receiving income maintenance will have those payments continued during certified personal leave periods of up to a total of six months.

158. APPEALS

- 158.1 Without affecting the officer's rights under the FW Act, an excess officer has the right under Section Q to appeal any decision taken in relation to the officer's eligibility for benefits under Clauses 151, 152 and 153, the amount of such benefits, or the amount payable by way of income maintenance under Clause 155.
- 158.2 An excess officer has the right under Section Q to appeal against the giving, in accordance with Clauses 153 and 154, of a notice of involuntary redundancy or notice of reduction in classification.

159. AGREEMENT NOT TO PREVENT OTHER ACTION

- 159.1 Nothing in this Agreement will prevent the reduction in classification of an officer or the retirement of an officer as a result of action relating to discipline, invalidity, inefficiency or less of essential qualifications.

160. RE-ENGAGEMENT OF PREVIOUSLY RETRENCHED OFFICERS

- 160.1 Despite the PSM Act, officers who are involuntarily retired from the ACTPS can be engaged at any time by the head of service without the written consent of the Commissioner for Public Administration.
- 160.2 Officers who elect to be made voluntarily redundant under Clause 151 cannot be re-engaged by the ACTPS within two years of the date of the officer's separation from the ACTPS, except with the written consent of the Commissioner for Public Administration.

Section S – Management or Government Initiated Transfers

161. GAINING EMPLOYEES

- 161.1 Despite anything to the contrary in the PSM Act, this section applies where the Directorate:
- (a) Gains the holder of an office (a new employee) who has been transferred under Section 15(5) of the PSM Act; or
 - (b) Gains an employee (a new employee) under Section 16(2) of the PSM Act; or
 - (c) Gains an unattached officer (a new employee) under Section 119 of the PSM Act; or
 - (d) Gains an employee (a new employee) as a result of a management initiated transfer or transfer arising from changes to the Administrative Arrangement Orders.
- 161.2 Subject to subclauses 161.3 and 161.4, the terms and conditions of this Agreement will apply to the new employee.
- 161.3 In applying the terms and conditions of this Agreement to a new employee, the head of service will determine, following transfer of the employee to this Directorate, the pay and classification of the new employee according to the following principles:
- (a) The head of service will determine the new employee's classification (called the "new classification") for the purposes of this Agreement and the conditions of employment (excluding pay) will be solely in accordance with the conditions applicable to that classification under this Agreement with accrued entitlements being preserved in accordance with Clause 162;
 - (b) If the new employee's current pay (after any necessary adjustments required by Clause 162) is within the range of pays for the new classification, the new employee will continue to receive that pay;
 - (c) If the lowest pay in the range of pays applicable to the new classification is higher than the new employee's current pay, the employee's pay will be increased to the lowest pay applicable to the new classification or the appropriate relativity in the new incremental range;
 - (d) If the highest pay in the range of salaries applicable to the new classification is less than what the employee is currently being paid then:
 - i. The employee's pay will be frozen at its current level; and
 - ii. Despite anything to the contrary in this Agreement, the employee will not receive any increase in pay unless and until the highest pay applicable to the employee's classification under this Agreement equals or exceeds the employee's current pay, at which time the employee will receive the highest pay applicable to the employee's classification under this Agreement together with any future increases under this Agreement.

- 161.4 A new employee who, at the time the employee was transferred to the Directorate, was working under approved flextime arrangements, will be entitled to continue the flextime arrangements in the Directorate. This provision will apply unless otherwise agreed by the head of service and the employee, or until a new enterprise agreement for the Directorate commences operation under the FW Act.
- 161.5 The provisions of the PSM Act dealing with promotions or transfers do not apply to anything done in connection with the implementation of this section. In particular, any increase in a new employee's pay or classification is deemed not appealable as a promotion and does not require the new employee's position to be advertised.

162. PRESERVATION OF ACCRUED ENTITLEMENTS

- 162.1 New employees will not lose the benefit of accrued entitlements upon joining the Directorate. Accordingly, the new employee's overall level of accrued entitlements will be preserved according to the following principles:
- (a) Where the accrued entitlements are consistent with this Agreement, these entitlements will be preserved but may only be accessed in a manner consistent with the provisions of this Agreement;
 - (b) Where the accrued entitlements are not consistent with the Agreement and/or cannot be accessed in a manner consistent with this Agreement, then these entitlements will be converted into entitlements or benefits consistent with this Agreement at the discretion of the head of service in consultation with the employee.
- 162.2 This clause must be implemented in such a way that an employee is no worse off in terms of the overall level of accrued entitlements.

163. ESTABLISHMENT OF A NEW ACTPS DIRECTORATE

- 163.1 If a new ACT Government Directorate is established the terms and conditions of this Agreement will apply for twelve months from the establishment of the new Directorate or for seven days after an enterprise agreement for the new Directorate is approved by FWC, whichever occurs first, to the following:
- (a) an officer who occupies an office in this Directorate that is transferred to the new Directorate under machinery of government, management or government initiated changes; or
 - (b) an employee or unattached officer in this Directorate who is transferred to the new Directorate under machinery of government, management or government initiated changes; or
 - (c) an officer or employee in this Directorate who is appointed to or engaged in an office that was transferred to the new Directorate under machinery of government changes; or
 - (d) an officer or employee in this Directorate who is engaged in a new office created by the new Directorate, where the officer or employee is engaged in one of the classifications in Annex A of this Agreement.

- 163.2 If an office is established in a new Directorate, the terms and conditions of this Agreement will apply:
- (a) to an occupant of that office if it was established to support functions and/or matters that had been performed by this Directorate before the establishment of the new Directorate;
 - (b) for twelve months from the establishment of the new Directorate or seven days after an enterprise agreement for the new Directorate is approved by FWC, whichever first occurs.

164. APPEAL RIGHTS

- 164.1 A new employee may seek a review under Section P about decisions made under this section affecting the employee's terms and conditions of employment in the new Directorate.

Annex C – Agreed Framework for Attraction and Retention Incentives (ARIns)

1. Introduction

- 1.1 This section sets out the Framework that applies to both individual Attraction and Retention Incentives (ARIns) and to ARIns for groups of employees.
- 1.2 This Framework may be accessible to all employees (other than casual employees) in all classifications covered by this Agreement, in accordance with the terms of this Framework.
- 1.3 A Director-General may, subject to paragraph 1.4, enter into a ARIn with an employee for a specified period of time or for a specific project and the ARIn may be varied by agreement between the Director General and the employee.
- 1.4 A Director-General may only enter into, or vary, an ARIn following the provision of a written submission to the Head of Service, addressing the criteria in paragraph 5.1.
- 1.5 In this Framework, a reference to position, employee, occupant or union includes positions, employees, occupants or unions.

2. Approval

- 2.1 An ARIn may only be agreed and approved in accordance with this Framework.
- 2.2 The Director-General may only approve an ARIn if the Director-General is satisfied that the position and the employee occupying the position meet the ARIn eligibility criteria set out in paragraph 5.1 of this Framework.
- 2.3 Prior to any ARIn being agreed, the Director-General must discuss the proposed terms of the ARIn with the employee who is currently occupying the position or who is to occupy the position. In these discussions, the employee may invite a union or other employee representative to assist the employee.
- 2.4 An ARIn must not be agreed where it would result, when assessed as a whole, in a reduction in the overall terms and conditions of employment provided for the employee under this Agreement or provide terms and conditions that are, in a particular respect, less favourable than the National Employment Standards or the rates of pay set in this Agreement for the same work at the same classification level.
- 2.5 Where it is proposed that an ARIn will replace or reduce a condition of employment contained in this agreement the Director-General will consult with the relevant union(s) about the proposed change. In consulting with the union(s), the Director-General will:
 - (a) provide the union(s) with relevant information about the position and the proposed change;
 - (b) give the union(s) a reasonable opportunity to consider this information and, if the union(s) wishes, provide written views to the Director-General within seven days; and

- (c) take into account any views of the union(s) and provide a written response before deciding to enter into or vary the ARIn.

Information that the Director-General provides to the union(s) under paragraph 2.5 (a) will not include information that might directly or indirectly disclose the identity of a particular employee.

- 2.6 At any time following the conclusion of the consultation required under paragraph 2.5, the Director-General and the employee may agree on the terms of an ARIn to apply to the position that the employee occupies.
- 2.7 The terms and conditions of employment of this Agreement will continue to form the principal basis for employees covered by this Agreement. Accordingly, where an ARIn applies to an employee, the terms and conditions of the employee is a combination of:
 - (a) the terms and conditions contained in this Agreement; and
 - (b) the terms and conditions contained in the ARIn.
- 2.8 The terms and conditions of employment contained in an ARIn prevail over the terms and conditions of employment contained in this Agreement to the extent of any inconsistency.

3. Application

- 3.1 The ARIn will commence from the date specified in the ARIn.
- 3.2 The ARIn will cease to operate when this agreement is replaced by a further enterprise agreement unless:
 - (a) the ARIn ceases to operate at an earlier time in accordance with the provisions of this framework; or
 - (b) the ARIn continues to operate under the provisions in the replacement enterprise agreement.
- 3.3 Subject to this Framework, the ARIn will operate while the employee continues to be the occupant of the position identified in the ARIn.
- 3.4 Subject to this Framework, the ARIn will cease to apply to the employee where:
 - (a) the Director-General determines, following a review provided for under paragraph 7 of this Framework, the ARIn should no longer apply to the position; or
 - (b) the employee vacates the position identified in the ARIn including when the employee agrees to go unattached or is temporarily transferred to another position.
- 3.5 Notwithstanding paragraphs 3.3 and 3.4, the ARIn will automatically cease to apply to the employee after fifteen months unless the ARIn is reviewed and either extended or renewed.

- 3.6 Where an employee party to a ARIn temporarily vacates the position and another employee is selected to act in the position, the Director-General may, upon the provision of a submission to the head of service, determine the ARIn applies to the employee who is acting in the position.
- 3.7 Subject to paragraph 3.8 an ARIn will continue to operate under the enterprise agreement of the gaining Directorate where there is a transfer of a position arising from:
- (a) machinery of Government changes; or
 - (b) management initiated changes; or
 - (c) changes to the Administrative Arrangement Orders.
- 3.8 An ARIn will continue to operate in accordance with paragraph 3.7 only where the position and the occupant continue to meet the ARIn eligibility criteria
- 3.9 If following the Machinery of Government or management initiated changes, the position and the occupant do not meet the eligibility criteria, the ARIn will cease to operate.
- 3.10 The Director-General must provide the employee with a minimum of 90 days (or less if agreed by the employee) written notice before the ARIn ceases to operate under paragraphs 3.4(a).

4. Deeming

- 4.1 Subject to paragraph 4.2, a Special Employment Arrangement (SEA) that applied to an employee covered by this agreement on the date this Agreement commenced operation will be deemed to continue to operate under this agreement, either:
- (a) in its current terms; or
 - (b) subject to such variations that are agreed between the Director-General and the employee concerned and the provision of a submission to the head of service.
- provided:
- (c) the SEA had either commenced or been reviewed within 12 months preceding the date this Agreement commenced operation; or
 - (d) a review of the SEA has begun (within 12 months preceding the date this Agreement commenced operation) but was not completed when this Agreement replaced the previous enterprise agreement.
- 4.2 For paragraphs 4.1 (a) or (b) above, the terms and conditions of this agreement will apply as if the SEA had been made under this agreement. This includes the pay increases on 1 July 2013, 3 July 2014, 9 April 2015 and 8 October 2015, where an SEA provides for increases linked to pay increases, but, excludes all other pay increases under subclause 28.2 of this Agreement.

- 4.3 Despite paragraph 4.1, the Director-General and the employee to whom an SEA applied under the previous enterprise agreement may, subject to the provision of a submission to the head of service, agree to enter into a new ARIn in accordance with this Framework.

5. Eligibility Criteria

- 5.1 In determining whether an ARIn should apply to a position, the Director-General will take into account the following criteria:
- (a) the position is critical to the operation of the Directorate or to a business unit in the Directorate;
 - (b) an employee who occupies the position requires specialist qualifications or specialist or high level skills;
